Four fifths of the people who complain of stomach trouble have no actual organic disease but all their trouble is due to hyperacidity-too much acid.

It is utterly useless to dose yourself with strong drugs, pills, pepsin, etc., for the excess acid should be neutralized by taking a teaspoonful of Bisurated Magnesia in a fourth glass of water after meals.

Bisurated Magnesia obtainable from any druggist, will neutralize about four times as much acid as sods, and it is very soothing and healing to the tender irritable membrane of the stomach and usually gives relief in the worst cases in from one to five
