WOLVERTON GETS DENT

Southern League Righthander Will Join San Francisco Club at Once-Brouse Not Beleased.

Two items of baseball interest cropped up last night, the probability of Portland getting Pitcher George Kahler from Cleveland and San Francisco purchasing Pitcher Dent from the Atlanta club of the Southern

Harry Wolverton is sure of his man, while Walter McCredie is still up in the air. McCredie has been angling for Kahler for the last six months. He tried all last winter to get him and has been working on Cleveland this spring. The big pitch-er, McCredie said this morning, is willing to come out, but Cleveland i experiencing difficulty in getting waivers on him. McCredic stated

walvers on him. McCredic stated that he was not sure whether Kalley for the was not sure whether Kalley for the season with the present line of pitos says that Dent will join the Seals immediately, reporting probability, reportin

I'LL SWAP YER. JUDGE, A BASKE OF THE BEST HEN FRUIT FOR SOME OF THAT REAL TOBACCO CHEW. YOU'RE A FRIEND OF MINE OR ID ASK FOR SOME-THING TO BOOT. THE GOOD JUDGE ACCOMMODATES THE POULTRYMAN

HERE'S the ready chew! You can get genuine comfort and tobacco satisfaction without having to grind all the time! "Right-Cut" is the Real Tobacco Chew that tobacco chewers are telling one another about. Pure, rich, sappy tobacco - seasoned and sweetened just enough.

The taste comes along steady—and it lasts you longer than the old kind. If you like real tobacco by all means buy a pouch.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away.

Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tobacco Chew. That's why it costs less in the end.

It is a ready chew, cut fine and abort abred so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much. The taste of pure, rich tobacco does not need to be covered up with molasses and price. Notice how the salt brings out the rich tobacco taste in "Right-Cut." One small chew takes the place of two big

chews of the old kind. **WEYMAN-BRUTON COMPANY**
