ROSEBURG IS HAPPY **BECAUSE NEW WORK** IS NOW A CERTAINTY

Voters Decide by Big Majority in Favor of Bond Issue for Kendall Road.

MILL IS INCLUDED

City Will Betain Title But Will Grant Long Time Lease; Railroad to Be 38 Miles Long.

Roseburg, Or., June 4 .- Citizens of Roseburg yesterday, by a vote of more eight to one, authorized a \$300,000 bond issue to aid Kendall Brothers of Pittsburg in the construction of a standard gauge railroad from this city to the boundary of the Cascade forest reserve, 30 miles east of here. This also means the immediate construction of a sawmill of 300,000 feet daily capacity near this city. The vote was 643 for and 78 against. Kendall Brothers, who own exten-

sive timber interests on the North Umpqua river near the eastern terminal of the proposed road, have promised to begin construction immediately on both projects. This will mean the employment of from 200 to 300 Home laborers will be given first choice in all work.

Surveyors have been at work along the route of the proposed road for sev-eral weeks and the permanent survey is said to be about half completed. The work of securing rights of way will begin immediately and this will be followed by actual construction work. It is estimated the railroad will be 38 miles in length and will cost more than \$800,000 exclusive of the steel rails, which will be leased. It will be standard gauge and a common carrier with a regular daily train schedule. Roseburg Reeps Title.

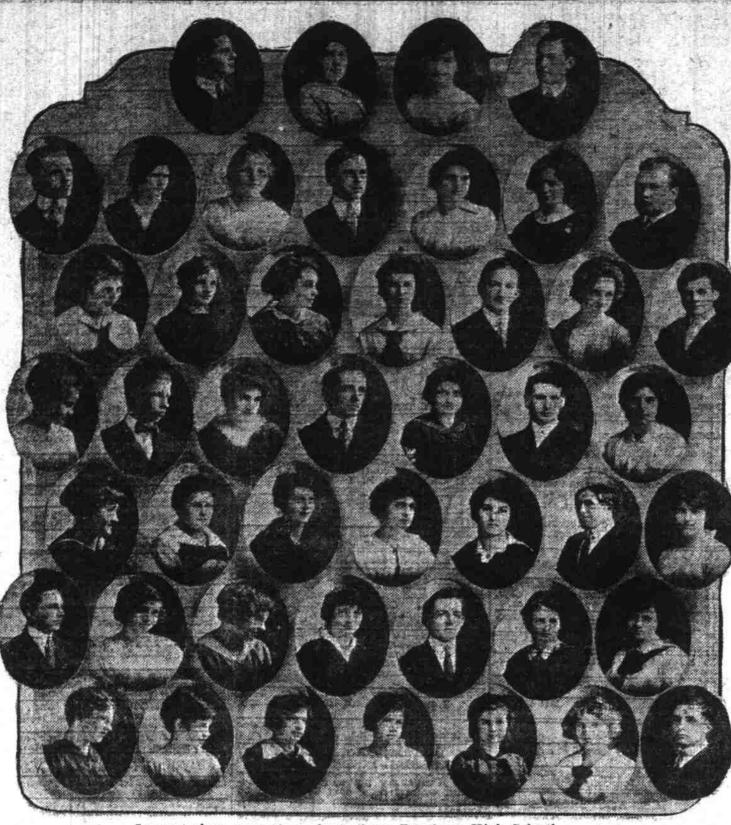

The title to the road will vest in the city of Roseburg, but it will be leased to Kendall Brothers for a term of 60 years. Roseburg will have a hand in the rate making and will share in the earnings of the road. It will be sub-ject to sale at any time, and in case it is sold Roseburg is to receive back the investment which it has in the road and Kendall Brothers' lease is to

The mill to be erected by Kendall Brothers near this city will be modern in every particular and will represent an expenditure of not less than \$300. The plans for the mill already have been drawn by R. S. Jobson, one of the best known sawmill experts in the country. The mill proper will be 88 by 290 feet in dimensions and will be equipped with all the latest and most modern machinery. The runway,

Klamath Falls, Or., June 4.—A fund for maintaining a representative at the Klamath county booth in the Oregon building at the exposition has been raised by the county court, Klamath Chamber of Commerce and local business men, and Philip J. Sinnott, a local newspaperman, has been appointed to take up this personal publicity work during the remainder of the exposition. Arrangements have been made for a series of illustrated lectures on Klamath county, to be given at different exposition theatres.

Mr. Dannals had been a resident of this city for 30 years. He had served a number of terms as city councilman, and was a past exalted ruler of the Elks and a past master workman. He was one of the oldest members of the fire department. He is survived by his wife, three sons, Elmer and Clyde of Albany and James of Portland, and two daughters, Mrs. Flo Merrill, Albany, and Mrs. Neilie Kirk, Portland. Funeral services will be held Sunday, under the auspices of the Elks.
