today redoubled their search for call boxes. Orders were issued this afternoon for all special officers attaches of the county and municipal courts, the board

of education, city hall and playgrounds departments to report to specified positions for emergency duty. Chicago, June 14.—(U. P.)—Armed guards stood upon the platforms of elevated trains here today as officials of the lines ordered service opened on a fifteen-minute schedule in an attempt to crush the biggest car

strike in history. When the hour arrived for thousands of Chicago residents to start for their work this morning not an elevated train or surface car was run-

Answering a strike call, made effective at midnight, 14,500 conductors, motormen, shopmen and ticket sellers quit their work. Trains and surface cars completed the runs which they were covering when the call was issued and were then run to the barns, Thousands walked miles to their work, while automobiles, drays and horsedrawn vehicles of every description were pressed into service.

When the elevated company decided to attempt to resume operations of its trains, guards were immediately armed and placed aboard each of the trains. No passengers were carface lines had not altered their plans to permit their cars, to stand idle throughout today. The surface lines do not expect to attempt to operate cars before tomorrow, at least. Several trainloads of strike breakers arrived today from Cincinnati and eastern points. Every policeman will be on duty today and Chief Healy, anticipating disorders, will tonight ask the executive council to authorize him to increase the force by 1000 special officers. It is expected these will

Officials of the Boston Braves and Chicago Cubs, the National League baseball teams playing here, anunged this afternoon that unless adequate car service is resumed by to-morrow the remainder of the sched-uled series will be called off, to be played later.

## Many Wounded in Battle Over Negro

Sheriff, Six Deputies and Several Citizens at Winnsboro, S. C., Shot-Megro Taken From Officials, Killed. Winnsboro, S. C., June 14.—(U. P.) Sheriff Hood, six deputies and a number of citizens were wounded in a desperate battle in front of the courthouse here today, when a mob sught to take a negro prisoner from the sheriff and lynch him. The negro was shot and killed by the mob after the sheriff and his deputies surrendered. Sheriff Hood was supported by 20 deputies when he started to take the negro from the jail to the courthouse. When the mob swooped down, demandthe prisoner be turned over to them, the deputies massed themselves about the negro and struggled desperately to save him. The fight soon developed into a pitched battle, in which scores of shots were fired. The deputies were overwhelmed, and when Hood and six others had fallen, the remainder guarding the negro sur-Sheriff Hood was mortally wounded the enemy. Rome, June 14 .- (I, N. S.) -- Despite Two highwaymen, one of whom lost the handicaps of the floods resulting his nerve at the critical moment, held from heavy rains as well as the cut- up a south-bound Oregon City train of the Portland Railway, Light & Power company between 10:30 and 11 o'clock last night, obtaining \$50 from the conductors of the two cars and \$3 or \$4 from passengers. Chief Special Agent Lou Wagner declared this morning, after working all night on the robbery, that he believes at least one of the men would be in custody before night. It was not known this morning what the value of jewelry taken from passengers would amount to. It was thought, however, that this would be considerable, as more than 60 people were on the two cars, all of whom were forced to contribute something.

Train Boarded at Vinyard. The two men boarded the train at Vinyard, nine miles south of Portland, and paid their fare as ordinary passengers. They took seats in the forward car. After the motorman had resumed headway, they covered their faces with handkerchiefs and drew revolvers. One pointed at Conductor P. Tye and the other fired a shot through the ceiling to intimidate the passengers. The first then forced Tye to go through the car holding his hat for loot, while the robber kept his gun covering the passengers.

standpoint, is one of the chief objects of the war. That it was believed by the government to be near led the populace to the conclusion that vic-The second robber at this juncture lost his nerve and leaped from the car as it was going at a high speed. Without noticing the defection of his comrade, the first robber continued his journey, gathering what money and valuables the conductor could collect. Tye had \$35 in company money in templating evacuating it. It was de-clared, however, that if Goritz falls his pockets and in his fare holder. This the robber obliged him to yield. Conductor J. E. Gates of the second car had \$15 or \$16 which the robber fend Trieste, and the statement was secured.
