# To Save You From Disappointment

MODEL R

This telegram speaks for itself. It is conclusive. There is no appeal.

If all those who were planning to buy Case Cars actually decided to buy today-with our limited output-we could not fill the demand. You know how Case has always built. Our reputation, not competition, has determined our output.

So this is our suggestion for immediate action to you who want one of these Model R's which develops over 40 horsepower:

# This is to remind you, that your allot. This is to remind you, that your Better Bett This Is Our Advice

We urge you to make your appointment for a demonstration today-if you do not want to be compelled to buy a car less efficient than the Case. You know how sincerely this car is built -that it is as exactingly made as cars costing far more. Men everywhere have bought Case Cars for the very simple reason that they have complete faith in them and in the company behind them.

Remember, this Case 30 comes actually ready for the roadwith all the necessary equipment included in the purchase price. \$1350-with five per cent discount if cash-such as Extra Tire and Tube on Rim with Tire Cover, Non-Skid Tire Chains and 8-Day Clock. You have no extras to buy.

### What We Fear Most

We are advised that some of the cars allotted here may be demanded by other territories. We want to take care of those who have shown their interest. We would hate to get word to ship away our few remaining cars.

Telephone or come in today. Look at the car. Learn thoroughly its vital economies. We shall be glad to demonstrate to you what this car will do. Ask other owners about it. Then make your decision. Next week may be too late.
