Puts Lives Above \$11,000,000 Order

J. W. Rapp, head of Big Eastern Metal Company, Santa Rosa, California, was arrested in New York, June 13.—(I. N. S.)—Because of his unwillingness to participate indirectly in the slaughter of men on European battlefields, John W. Rapp, president of the Empire Art Metal company of College Point, L. I., has refused contracts amounting to \$11,000,000 for munitions of war for the allies.

Instead of making implements of slaughter, Mr. Rapp has turned his mind to evolving methods of conserving lives in the war. One of his ideas which he had forwarded to the Red Cross for consideration, is a small balloon, with which each soldier would be equipped, if it were adopted.

Mr. Rapp's idea is that a soldier, lying wounded on a field, but conscious, could inflate the balloon with a few breaths and set it loose. Then, fastened to his body by several feet of light string it would bob about in the breeze, a signal to those in search of the wounded.

"JUICE" KILLS 6 HORSES

Redding, Cal., June 13.—(P. N. S.)—William Costello of Salinas lost six horses and a mule by electrocution here early today, with their families.

Abe Ruef Believes He Will Be Paroled

Former Boss of San Francisco Will Have Served Half of 14 Year Term By First of Next Month.

San Francisco, June 13.—(P. N. S.)—Abe Ruef is today more hopeful than ever of parole from San Quentin, with his third application for release before the board of state pardon directors for action August 13.

He will have served half of his term of 14 years before the first of next month and will be eligible to parole. Because he had not completed half of his term, the board refused last year to give him a hearing on a former application.

Scheeland Estate Heirs.

Five sons and three daughters of Mrs. Ernestine Scheeland, who died June 12, will receive equal shares of her estate, estimated to be worth \$38,500, according to her will filed yesterday for probate.

Pastor Elopes With Teacher, Is Charge

Rev. W. A. Watts of Millar, Cal., Methodist Church, who was Grandchild-aren, and Genevieve Bands Missing, Stockton, Cal., June 1.—(U. P.)—A felony complaint charging Rev. William A. Watts, South Methodist pastor, postmaster and storekeeper at the small Calaveras town of Millar, with desertion, was sworn to at San Andreas today, and Sheriff John Costello is preparing to flood the state with circulars asking for his arrest. He is alleged to have eloped with Miss Genevieve Bands, a Miller school teacher and former boarder at the Watts home.

A letter in Miss Bands' handwriting and addressed to her parents was post-marked Stockton. It told her parents that she and the pastor were going to a far away country to live, and added: "You need not look for us."

Miss Bands left Miller Friday. Rev. Watts left the following morning. Rev. Mr. Watts is 51 years of age and has several grandchildren. Miss Bands is 21, and looks younger. Watts is said to have confessed his love for Miss Bands and to have told his wife he was going away with her.
