BEAVERS LOSE PAIR OF GAMES TO OAKS BY FAULTY PITCHING

Coveleskie and Kahler Are on Defeated Ends Against Klawitter and Martinoni.

CHRISTIAN IS RELEASED

Elliott Is Temporary Manager of the Commuters Until Del Howard Can Be Coaxed Out of His Retirement.

San Francisco, Cal., June 21.—Oakland took five out of the eight games from Portland with yesterday's double win, 6 to 5 and 9 to 1. S. Coveleskie and George Kahler were charged with the defeats. Old Dutch Klawitter managed to get into the game long enough to get credit for the morning victory, while Elmer Martinoni, who was knocked out of the box in the morning, held the northerners to one run in the afternoon battle, which was Hillyard's homer. Hillyard's homer was one of the longest swats ever made in the Oakland park.

Manager Tyler Christian, who was deposed yesterday because he could not get along with President Frank Leavitt, a blustery person, sat in the grandstand, while Rowdy Elliott took charge of the team when it went to Salt Lake last night. It is rumored that the Oakland club is still after Del Howard to manage it. It was repeatedly stated by officials of the club that Christians' work was satisfactory, and that he would be retained.

Portland used three pitchers in the morning, Keefe, Coveleskie and Evans. Prough started it for Oakland, and three runs were made off him at the start, but Coveleskie could not stand prosperity, and the Oaks tied a three run lead in the third, their two runs in the sixth giving them the game.

Kahler was knocked out of the box in the second game in the fourth inning, and Evans finished it up.

The Beavers will remain in San Francisco this week to meet the San Francisco club.

MAROONS BEAT MAXEY AND HIS SELLWOOD PALS

Red Lund Too Much for the Monarchs in 11 to 2 Contest.

PORTLAND CITY LEAGUE.

East Side	5	7	.417
Sellwood	2	10	.167

Chalking up a 3 to 0 victory over the Sellwood Merchants in the first game of yesterday's City league doubleheader, the Maroons made it eight straight victories. In the second contest the East Side Redmen showed their heels to the West Side Monarchs, winning, 11 to 2.

Richard Maxmeyer was on the mound for the Sellwood team. He pitched great ball, allowing but six bingles, but two of them being clean swats, and whiffing 13 batters. Boneheaded plays on the part of a pair of players gave the Maroons a couple of tallies, and also robbed the Sellwooders of a chance to score in the ninth frame.

"Sunny" Moeller pitched for the league leaders. He was in danger but once during the game, and that was in the ninth frame, when Smith connected for his third hit and Neilson followed with a double.

"Red" Lund held the Monarchs to one hit, while his team mates chased across 11 runs with 11 bingles. Errors gave the West Siders two of their three runs.

STANFORD MEN MUST TAKE OFF EXTRA WEIGHT

Westerners Violate Unwritten Law by Training on Sunday Morning.

Poughkeepsie, N. Y., June 21.—(U. P.)—All five crews entered in the intercollegiate regatta June 28, took practice spins today. All showed decided improvement since their arrival. Stanford pulled six miles, the hardest workout of the day. Coach Frank Guerena announced that his giants gained an average of five pounds on route across the continent.

While other crews attended church or strolled through the hills Sunday, Stanford's Cardinals launched their shell and took a 10 mile paddle downstream and back.

This action was frowned upon by the other college crews, among whom there is an unwritten law against work on Sunday. Guerena says the Hudson river has a lower density than western waters and is far easier to row in.

The bat slipped out of the hands of Player Clark of the Vancouver Tiger team and hit the Portlander in the mouth. After having his mouth fixed up, Moreland returned and pitched a full game, but lost 14 to 5.

the national joy smoke

Here is another just-elected member of the Prince Albert "old-time jimmy-pipers club." This is John O'Reilley, of East Providence, R. I., who has just passed the century mark. Mr. O'Reilley is one of those grand old men who has come to this ripe age with the joys of his friendly jimmy pipe fresh in his mind each morning. He has always been a liberal smoker.

Prince Albert is sold everywhere because the demand for it is universal. So wherever you happen to run short just drop in the handiest shop that sells tobacco and buy the toppy red bag for a jitney piece, 5c; tidy red tin, 10c; handsome pound and half-pound tin humidors; and that classy crystal-glass pound humidor with sponge-moistener top.

You be a sport and take a chance on this say-so, because you've no idea of the bully goodness, of the joy'us satisfaction, of the contentment and restfulness and that sort of thing, that hits every man who gets chummy with P. A.

Hammer this home for what ails your smokeappetite, because you've no time to lose getting introduced to this real and true man-tobacco that's ace-high and a yard wide no matter how you swing on it, jimmy pipe or makin's cigarette!
