FREAK ROSE BUSH ATTRACTS NOTICE IN EAST SIDE YARD

M. L. King, 1227 East Sixth street North, has a freak rose bush. Instead of blooming from the end of a fine shoot as do most roses, this bush has broken out leaf at a time around the heavy stalks, the petals forcing their way through tiny slits in the grain of the skin about the stalks.

How French People Cure Stomach Trouble

A household remedy of the French peasantry, consisting of pure vegetable oil, and said to possess wonderful merit in the treatment of stomach, liver and intestinal troubles, has been introduced in this country by George H. Mayr, who for twenty years has been one of the leading downtown druggists of Chicago, and who himself was cured by its use. So quick and effective is its action that a single dose is usually enough to bring pronounced relief in the most stubborn cases, and many people who have tried it declare they never heard of anything so effective as this remedy.
