

REAL GOOD TIME IS PROMISED SUNDAY AT PRESS CLUB PICNIC

Old Fashioned Celebration With Firecrackers, Speech and Athletic Sports.

PRIZES TO BE ATTRACTIVE

Opportunity Offered to See Famed Columbia Highway, Also Biggest Fish Hatchery in World.

"Going to the Press club picnic Sunday."

"Better come along. All the boys are going. Guess there'll be a good time."

Such are the remarks being bandied back and forth the last few days. They have reference to the annual outing this year to take the form of an old-fashioned Fourth of July celebration under the auspices of the Portland Press club.

The attractive price of one dollar for the round trip promises to attract a large crowd to the Union depot, from which the special excursion train will leave for Bonnevile at 8 o'clock Sunday morning.

There will not be a surplussage of oratory, arrangements having been made to confine this feature of the program to a short, snappy address benefiting the occasion by Charles A. Johns. There will be some firecrackers, just enough to bring back reminiscences of the way the glorious Fourth used to be celebrated.

Many Attractions Offered.

The fact that the trip will afford opportunity for an inspection of the world-famed Columbia highway is proving a magnet of strong drawing power. Another attraction is found in the announcement that the Bonnevile fish hatchery will be open.

Ample provision has been made for light refreshments. A special issue of the "Frying Pan," the humorous publication which the Press club boys always get out on special occasions, is in course of preparation and will be distributed free on the train.

At the grounds the literary program will be supplemented by the great five inning baseball game between the Press club and Ad club, by dancing and by a series of old-style picnic athletic events, for which an attractive list of prizes has been provided. The athletic events will be as follows:

Athletic Program and Prizes.
