April 28, 1915—Sanity trial by jury applied for and grant-ted by Justice Hendrick.

New York, July 14 .- (U. P.) -- Harry K Thaw was this afternoon found to be same by a jury in the court of Justice Hendrick which heard the evidence in the trial through which the slayer of Stanford White sought his permanent release from Matteawan.

The verdict today is the first real victory gained by Thaw in his long nine year fight for liberty following the killing of White on the Madison Square garden roof. He betrayed no anxiety as the jury filed back into the courtroom after being out about a half hour and when the finding was announced smiled broadly and immediately turned to accept the congratulations. ly turned to accept the congratulations of his counsel and friends, The state had previously let it be (Concluded on Page Ten. CARRANZA RESTORES ORDER IN MEXICO CITY, SEEKING RECOGNITION

He Announces He Will Issue General Amnesty to Mexicans Within a Few Days.

Washington, July 14 .- (I. N. S.)-General Carranza is bending every effort toward restoration of order in Mexico City, with a view to early recognition by the United States is the belief of government officials here this afternoon.

The Constitutionalist agency here this afternoon received a cablegram from Carranza as follows:

"General Gonzales has orders to afford every protection and guarantee to natives and foreigners in Mexico City. His instructions from me are to punish severely any and all crime against life or property. With the capture of Mexico City, the Consticapture of Mexico City, the Consti-tutionalists have given proof of their superiority over the forces of reac-tion, whom they have overpowered.

"Within a few days, I, in my ca-tacity as first chief, will issue an amnesty in the endeavor to bring those in error back to the true path.

(Signad)

VENUSTIANO CARRANZA." "VENUSTIANO CARRANZA."

The Villa agency here received a telegram from General Villa, denying the peport that he intended resigning in favor of General Robies, former minister of war, under Provisional President Guiterren, or that there was a movement om foot among his officers aiming at his retirement.

A report from General Madero announcing the defeat of the Carranzistas south of Paredon also was received.

Guard Officer

Two Members Third Oregon In-fantry Under Military Arrest Following Fracas.

Camp Jackson, Gearhart, Or., July ldters' Home" restaurant at Seaside is a wreck; Second Lieutenant Phlabury of Portland, in charge of the provost patrol guard last night, is suffering from bruises, and Privates McDonald and Copeland, company B, Portland, members of the Third Oregon infantry, encamped here, are in the guardhouse, under serious charges as the result of a pay-day riot staged at Seaside last night.

McDonald and Copeland were members of a party dining in the restaurant after a fast and free evening, and the fun began with the exchange of volleys of catsup bottles, between the diners.

Lieutenant Pillsbury's patrol detail came in to place the men under arrest, and was greated with a shower of plates of food, the lieutenant receiving a hot oyster stew with its accompaning armor plate soup dish, in the face as he stepped inside the door.

Battered and bruised the rioters were finally subdued, after a number of volunteers had come to the rescue

guardmen are under the provisions of the articles war of the federal government at this camp. They may receive the extreme sentence of possibly two years in a military prison, or may only be fined and dishonorably dis-charged from the service of the state of Oregon. Two other men are being searched

Positions North of Vienne le Chateau in Argonne Taken by Crown Prince's army in Brilliant Charge.

GERMANS TAKE 2681 PRISONERS IN ATTACK

They Are Now Less Than 8 Miles From the Verdun-Rheims Railway.

Berlin, via wireless to London, July 4.-(U. P.)-French positions northeast of Vienne le Chateau were stormed by the Germans yesterday and the enemy driven back more than half of the provost party.

McDonald and Copeland face a stiff a mile; the war office announced tosentence in the military prison, as day.

In their successful assault the Ger-In their successful assault the Ger-

man forces took 2681 prisoners, the official statement said. By impetuous charges the German lines were advanced more than 1000 yards and are now less than eight niles from the railway running from Verdun to Rheims, the statement said "Our captured positions comprise what is known as Hill No. 285," the statement declared. "Our booty in-cluded two field guns, eight quickfirers and a great quantity of sappers' tools. Our artillery destroyed eight annon.

Peculiar phrasing of the official statement as to the situation on the eastern front was interpreted to mean that Austrians are now mainly engaged against the Russians there.
"The situation in the east and south east, so far as the Germans are concerned, is unchanged," the statemen

Soissons to Be Leveled. Paris, July 14 .- (U. P.) -- Arras and Soissons are again under heavy bom-bardment from German guns. The enemy is evidently attempting to level Soissons, the communique from the war office stated today. Several long range guns are in action on the plateau across the Aisne, hurling showers of big shells. Fires have again broken out in Arras, which is being fiercely

shelled.

An attempt to storm the British positions southwest of Pilken was repulsed with heavy losses, it was officially announced. The British met the German attack with steady fire Early Promises Were for 69,000,000 Bushels of Wheat where the army of the crown prince in Orogan Idaho and Washington to the crown prince has ceased its attacks.

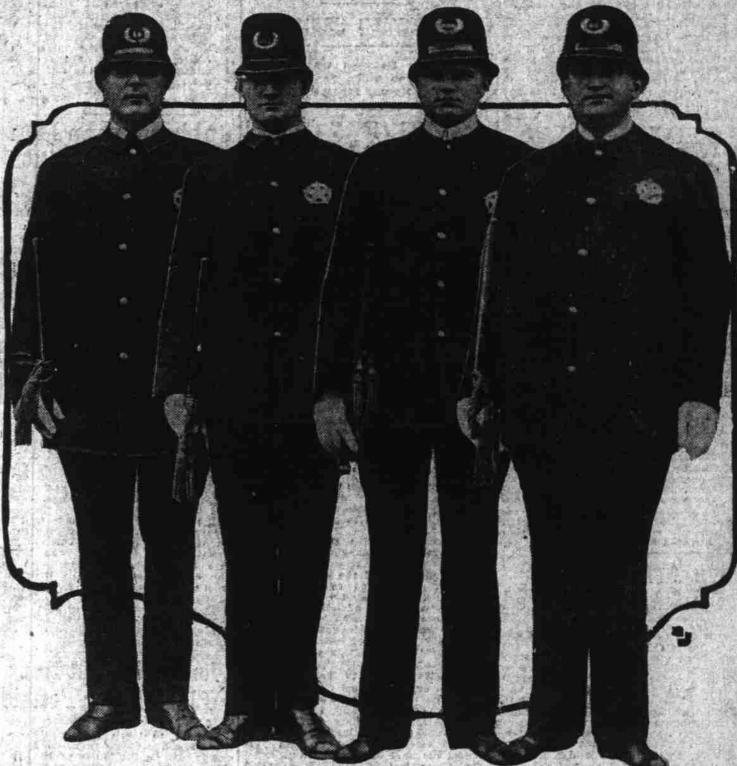

Weather Did Considerable Damage; War Orders Big. Pendleton Is Now a Clean, Sparkling City

Pendleton, Or., July 14.—Strangers and many townspeople in Pendleton last night thought there was to be a lynching bee, when they saw sev-eral hundred people hurrying down the street leading a slouching figure

Many more joined the mob before t stopped at Round-Up Park. Instead of seeing the man strung up to a tree, they saw him un-dressed, thrown into a tank of water, bathe.

character whose slovenliness and uncleanliness had become so intolerable that drastic measures had to be taken. He was so relieved that he was not to be lynched that he scrubbed himself most cheerfully.

STALWART PORTLAND POLICEMEN picked as Liberty Bell guard of honor. Reading left to right are: B. F. Wade, 6 feet 5 7-8 inches; R. L. Schad, 6 feet 5 inches; H. A. Lewis, 6 feet 4 inches; C. F. Hunter, 6 feet 5 7-8 inches, and all but one are members of the traffic squad.

U. S. Cashier Case Trial Reveals Transactions in Big

The government's second step in its effort to prove conspiracy and use of the mails to defraud against the seven defendants in the U. S. Cashier trial was taken today in federal court when United States Attorney Reames introduced as evidence letters from the U. S. Cashier company to Montans investors sent after stock sales had been made by Salesmen Bonnewell and Todd. These letters were not read.

Todd. These letters were not read.

Then to support other evidence already introduced in regard to the activities of these two particular agents. testimony was given by Hiram House, expert accountant for the government, that Bonnewell and Todd had sold \$274,392.50 worth of stock, of which \$185,560.25 had been paid in and for which they received commissions of 30 per cent, or \$52,775.

Policeman Kills Negress.

Los Angeles, July 14—(P. N. S.)—
In a revolver duel between an unidentified negress and Police Patrolman C.
Pat Stevens here this afternoon, the woman was killed. It was believed the woman was insane.

Boston, July 14.—(U. P.)—An un-signed note declaring that bombs were planted in the state house and cus-toms house and that the governor was

toms house and that the governor was to be killed was received by the Boston Traveler here today.

"There are two bombs in the state house and one in the custom house tower," the note to the newspaper said. "Holt was a German spy and so am I. Three interned ships will leave and then the bombs will go off. The governor is to be killed. The bombs will go off about Eriday. We have fooled the police."

Aviators Raid Goritz.

Rome, July 14.—(U. P.)—A squad of italian aviators made an effective raid upon—the Austrian positions about Goritz Monday, General Cadorns reported to the war office today. Bombs were hurled upon the camp and supply stations of the enemy just before daybreak. The Austrian artillery found it difficult to locate the Italian aviators, who returned eafely to their own lines. Bombardment of the Goritz bridgehaad is being steadily maintained, General Cadorna's official report stated.

Italian Atrocities Claimed.

Berlin, July 14.—(I. N. S.)—(By Wireless to Sayville.)—Italian losses on the Isonzo front today were semi-officially estimated at 80,000, killed, wounded and missing. The Overseas News agency claimed receipt of advices confirming reports of Italian atrocities. It asserted that women innumerable had been outraged, houses polllaged and peaceful citizens selled and held as hostages.

Village Under Water.

St. Joseph, Mo., July 14.—(I. N. S.)—Rosendal, a village, 25 miles north of here, this afternoon was reported. Cardiff, July 14.—(U. P.)—Representatives of the coal miners of South Wales met here today to discuss the government's threat of invoking the munitions act if necessary to prevent a strike in the coal fields. The northern delegates announced that the miners in that region would continue at work, pending arbitration by the government. It was believed that the workers from other sections would sanction the same course.
