ABOUT THE HOUSE

Two housewives were comparing notes the other day as to how long their clocks had run with no other attention than winding. The period extended into years. Yet those same housewives would never have dreamed of treating their sewing machines or their automobiles in any other piece of machinery in the same fashion.

THE SHOPPER

Friday is becoming known in department store circles as "Barney Day" and a glance over the stocks and at the ads of some of the leading stores in this city will convince you that it is well named.

CREOLE BAKED PEACHES

Take large, firm fruit, not overripe. Peel and cut in halves, taking out the pit. Fill the cavity with a paste composed of powdered sugar, ground cinnamon and butter.

What and Why Corner?
