# NEW PRESIDENT OF

Sudre Dartinguenave, Who Was Chosen, Opponent of Dr. Bobo, Revolutionist,

Port Au Prince, Aug. 12.—(I. N. S.)— enate President Sudre Dartinguenave today was elected president of Haiti by the national assembly. Dartinguenave's election probably will mean a continuation of civil war, is he is a bitter opponent of Dr. Bobo,

revolutionary candidate.

Marines Suppress Disorders. Washington, Aug. 12 .- (I. N. S.) American marines again were employed yesterday in quelling disorders at Port Au Prince, according to report from Admiral Caperton today. mention was made of casualties.

# CARRANZA HAS DEFIED WILSON

(Continued From Page One)

ing armed resistance to outside inter-In addition the Carranzista agency here made public telegrams from 11 international affairs of Mexico. Carranzista leaders, including Generals Obregon, Gonzales and Trevino, declaring they would have nothing to do with any program which Carranza does

not approve, and pledging their loyalty were preparing for any eventuality to resisting an enforced compromise in the Mexican situation. with the "reactionaries." Communications Insulting. The tone of the Carranza communi the verge of insulting. Many officials expressed the belief that they sought as a means of consolidating all factions on Carranza's side and winning

the sympathy of the Pan-American Secretary of State Lansing was the irst official of President Wilson's advisers to consult with him on his return from Cornish early today. Carranza's defy was taken up by the president and the secretary of state. That it was deemed extremely objectionble was admitted. It was recognized, however, that such an answer as the administration wanted to make would lkely precipitate a situation south of the border as would render interven-

tion inevitable. Intervention Not Indorsed. The Latin American envoys have re-

fused to indorse intervention. They opposed it throughout the conference with Secretary Lansing, and today, brough the Carranzista agency, came announcement that the president the understanding that Mexico's do- more troops to the border. mestic affairs and intervention would

If the United States intervenes, the administration must therefore not only act on its own initiative, but act against the vigorous opposition of the Latin-American conferees.

Border Situation Bad. today become temporarily alarming than conditions in Vera

Cruz or Mexico City. styling themselves "The Army of Lib-erty of Mexico and Texas," are oper-ating in the Brownsville section. Funston declared his troops captured a pretentious battleflag Tuesday bearing the inscription; "Army of Liberty."
A handbill was also taken which

that conditions might arise at Vera was declared that all foreigners, re-Cruz necessitating the dispatch of the gardless of nationality, were being "Artillery duels are in. battleships New Hampshire and Louisi- given ample protection. ana there. He said orders would possibly be issued within the next 24 hours sending them to Hampton Roads or Guantanamo. It is believed the orders will be for the latter port, which will place them within striking distance of Vera Cruz. The secretary intimated that sending the battleships direct to Vera Cruz might precipitate an outbreak such as the administration

wishes to avoid.

Marietta at Vera Cruz. The gunboat Marietta is the only American warship at Vera Cruz, since the Sacramento departed with the Brazilian and Guatemalan ministers aboard. Captain Scott, her commander, "Intellectuals" Manifesto Sets Forth is expected to keep the department informed of all developments.

Although the ordering of the fleet south was declared to be a matter of regular procedure, it was nevertheless thought that the presence of the warships in the southern waters might have a quieting effect on Mexico.

#### ARMED INTERVENTION NOT CONTEMPLATED. SAYS LATIN DIPLOMAT

Washington, Aug. 12.—(I. N. S.)—All possibility of armed intervention in México was definitely removed before the South American diplomats entered into conference with Secretary of State Poland."

This assertion was attributed to Ar-TO INTERFERE gentina's representative by the Carranza agency here today. Amplifying the statement, the agency quoted the representative as Frankfort,

"Agreement was reached beforehand that there would be no act or design which might mean interference in the

U. S. Government Beady. However, three of the most powerful departments of the United States government, directed by President Wilson,

Two of these departments-the army and navy-were putting the final touches to a program of preparedness in the event of it being necessary to use force. The ranking department, the state department, is bringing into to compel action by the United States play every bit of diplomacy possible in an effort to settle the problem without an armed clash.

> Intervention Is Opposed. Secretary of State Lansing arrived Washington from New York at midnight and worked for hours compiling his report to President Wilson. The most of the South American diplomats. upon General Bliss to prepare a com-plete list of all troops in continental United States available for Mexican

border duty. those of yesterday, Secretary Garrison today announced he of Argentina had cabled Carranza that would await a further request from Argentina entered the conference on General Funston before ordering any
