PETROGRAD IS OBJECT OF RIGA CAMPAIGN OF

Famous Field Marshal Assumes Personal Command of Offensive Along Baltic.

arried out by vast cavalry forces nat Field Marshal von Hindenburg aiser regards this attack on the Rus-

elles is regarded as more pressing an ever if the Russian situation is ned on a large scale. The advance formous task yet confronts the al-

orces of von Hindenburg stubborn restance is evident from the German er attacks by the Russians. These atrded no advance for the Germans of rderly retirement

Petrograd Real Objective. As a result of the placing of Field arshal von Hindenburg in command rust that is being made further into lief is growing in military circles at Petrograd is the real German obas the northern extremity of Russian line of defense, this rtress is now besieged and its capmomentarily expected. With the fort is now regarded as the altempt seize the railway to the Russian apital, accounting for the assignment

PETROGRAD IS REAL OBJECTIVE OF RIGA

By J. W. T. Mason.

New York, Aug. 12 .- (U. P.)-For the first time since the present eastern offensive campaign, was started, announce the part that Field Marshal von Hindenburg is playing. It is known today that he is in command of the operations on the Baitic and is checking the advances of the Rus- Alcohol Explodes; sians during the last few days along the Riga-Mitau road. Simultaneously, perhaps ominously, the Novoe Vremya, Petrograd's leading newspaper, is reported to have warned the people of is the city of Petrograd. Where you Hindenburg is, must cen-

ter the climax of the struggle to force the Russians to sue for a separate The campaign on the Baltic has been

clothed with the elements of mystery, there being only bare announcements in the official communiques. The number of men angaged has been cut the Warsaw-Petrograd railroad in southward into the arms of Field Mar- in flames. She lived five hours. shal von Mackensen's armies along the Vistula. But the annihilation of th Russian field forces pernaps is not the mense difficulty of such a task has perhaps caused the abandonment of the plan if it really was ever contemplated Instead, of expending strength in trying to envelop the Russian forces, the Germans may intend to isolate Petrograd by blocking the armies in central and southern Russia. Then

indefinitely. The Novoe Vremya estimates that the present Teutonic power is seven times as great as Napolcon's. Whether Russia has increased her strength sevenfold, remains to be
