THE OREGON SUNDAY JOURNAL, PORTLAND, SUNDAY MORNING, AUGUST 15, 1915.

How to raise funds with which to nish the grading of the Columbia riv highway in Clatsop and Columbia unties and then hardsurface it was ussed at a special meeting of the olumbia Highway association at the earhart hotel Thursday night immeately after the opening of the high-By to travel. There was a general expression of

STATE AND FEDERAL

Record for Closing Gap.

sider Strategic Value of

River-Ocean Boad

intiment that the two counties had one their full part, especially Columa county, which has made the greatat sacrifice of any county in Oregon the cause of better roads

For several years Clatsop ill derive much more behefit from he highway than Columbia on account the coast travel. For that reason ie opinion was expressed that no furher contribution should be expected rom Columbia county and that it was ow up to the state to complete the

# State Aid Necessary.

The discussion resulted in the adopon of a motion that the advisory pard of the state highway commision, composed of S. Benson, of Portand; Leslie Butler, of Hood River, and H. Albert, of Salem, formulate and bmit some plan by which state aid ould be extended.

County Judge Clark of Columbia unty made a plea for state aid. He county had already expended n the highway \$260,000, raised by a nd issue, and \$80,000, raised by di-For next year it will be imassible for the county to raise more an a five mill tax for road purposes. hich must be devoted to its other If the state would appropriate the present gap between Rainr and Beaver valley would be closed. Speaking for Clatsop county, exounty Judge Judd said its resources are exhausted and that, if the road to be finished, help must come from In addition to the oney raised by a bond issue and diect taxes, business men of Astoria, e said, had advanced to the county e sum of \$25,000.

## Strategic Value of Road.

A suggestion for federal aid was ontained, in a resolution submitted W. Taylor and unanimously dopted. after referring to

he necessity of modern higways in ie transportation of troops and ordnce in time of war for defensive puroses, calls attention to the great value Columbia river highway from to Astoria and then down the past to Tillamook, says direct benefit o the general government through its

mprovement would come, closing: "Therefore, be it resolved, that it is
