Treasurer Helfferich Said to Announced Recent Loan Exhausts Resources.

Amsterdam, Aug. 23 .-- (I. N. S.)-The Telegraaf today printed the fol-

"At a secret conference of Berlin writers, politicians and members of the cabinet, prior to the present war loan, Treasurer Helfferich explained the loan would exhaust the nation's resources and pointed out the necessity for honorable peace."

The Telegraf's report of the secret meeting further declared that Chancellor von Bethmann-Hollweg told the conference that the financial difficulties of Germany were increasing and urged the reichsta; to abandon bellicose declarations and to prepare peace proposals which might be acceptable to the allies. His stand was led and misunderstood the situation. cellor, the conference refused to adopt

nexation of Belgium in the reichstag, but on the contrary has urged the leaders to support peace talk, according to the Telegranf here today. The Telegraaf is not considered friendly to Germany. It declares that before the opening of the reichstag last week the imperial chancellor and Financial Secretary Helfferich called a secret conference and urged the party leaders to soft pedal all annexation talk and give their support to peace discussions. Helfferich is quoted by the Telegraaf as declaring that the new \$2,000,000,000 loan will exhaust Ger-many's resources, and that an early peace is needed.
