SHIPPERS NOW FEAR DOCK CONGESTION S. S. Co. Le Peller, French bark, Captain Jamet, wheat for United Kingdom, Balfour, Guthrie & Co. AT TOP OF SEASON

 Slow Movement of Fall Grain and Expected Late Winter Rush Not Relished.

KILLARNEY TAKES CARGO

Large Fleet Returning From United Kingdom and Expected in November-Steamers to Return.

Portland's grain doces are apt to be Lewiston swamped in mid-winter and early spring, fear Portland exporters and Salem

Last year the vessels of the grain fleet were handled taster than ever before. Destruction by fire of Montgomery dock No. 1, Columbia No. 2 and Oceanic docks made a big crimp in the available space. But vessels came along in good sequence and little time was lost.

This season's prospect is bad, however. There has been a nice start with a number of big cargoes being dispatched this month. However, the reluciance with which the farmers are parting with their gfaln will, it is Reason's F. Sept. 24 thousands of dollars in putting a net New York, was mentioned in army or derived the form of trunk line roads over ders for a magnificent individual fight on the county. Good roads enthusiasts on the western front. The count, who there will be a lieutenant of dragoons, fell in the parting with their gfaln will, it is Reason's F. and way Sept. 29 with the result of the meeting. parting with their grain will, it is feared, result in a general exodus of grain in midwinter and spring, which will make fast handling impossible. and pile up demurrage charges on wheat kept stored in cars;

Vessels, say shipping men, are ad- Santa Clara S. F., E. C. B. Sept. 20 Vessels, say shipping men, are admirably spaced for fast handling this fall. Fifteen vessels have loaded grain cargoes so far this season. Forty-two vessels are under charter now for grain loading here. The sailing vessels are nearly all coming from Europe, 10 of the 17 en route now are from there, three from Australia and four from South Africa. Many of these 17 should drift in about November 1 and make
