MAN ON PAROLE DOES NOT COME UNDER LAW MEANT FOR CONVICTS

So Supreme Court Holds in Case Growing Out of Giving of Liquor.

OTHER DECISIONS TODAY

Judge Morrow Affirmed in Miller vs. City of Portland Case Concerning Improvements.

Salem, Or., Sept. 21.—That the law making it a crime to furnish liquor to a convict applies to men in the penitentiary and cannot be extended to a man who has been paroled, was held today by the supreme court, which reversed the conviction of Joe Perry in Circuit Judge Kelly's court, Marion county.

Perry furnished a man who had been sentenced to the penitentiary but who was out on parole and doing business for himself in Salem, with liquor. The opinion was written by Justice Eakin.

Among the other decisions today were the following:

Margaret Martin vs. William Hendershott et al, appellants, appealed from Marion county; motion to dismiss appeal denied; opinion by Justice Eakin.

Freeman Case Appealed.

R. J. Freeman vs. Southern Pacific company, appellant, appealed from Multnomah county; motion to dismiss appeal denied; opinion by Justice Eakin.

Jessie A. Miller et al vs. City of Portland, appellant, appealed from Multnomah county; suit to enforce lien for improving streets; opinion by Chief Justice Moore; Circuit Judge Morrow's judgment for plaintiff affirmed.

Henry Landers et al, appellants, vs. school district No. 5, Douglas county; suit to enjoin collection of a tax for a new school house; opinion by Justice Burnett; Circuit Judge Hamilton's judgment for defendant affirmed.

John T. Davis vs. Carlton Lumber company, appellant, appealed from Yamhill county; action for damages for personal injuries; opinion by Justice Bean; Circuit Judge Holmes' judgment for plaintiff affirmed.

Judge McGinn Affirmed.

S. C. Mann, appellant, vs. W. A. Gordon company, action for recovery of money, appealed from Multnomah county; opinion by Justice Benson; Circuit Judge McGinn's judgment for defendant affirmed.

M. A. McGee vs. Carlton Lumber company, appellant, action for damages for personal injuries; appealed from Yamhill county; opinion by Justice Bean; Circuit Judge Holmes' judgment for plaintiff affirmed.

Petitions for rehearing were granted in Grice vs. O-W. R. & N. and Taggart vs. Honter.

Petitions for rehearing were denied in Hotel Marion vs. Waters, Lais vs. Silverton.

Motion to retax costs was denied in Gross vs. Gage.

SUPREME COURT TODAY REVERSES CONVICTION OF ONE LOUIE HING

Salem, Or., Sept. 21.—The supreme court today reversed the conviction of Louie Hing, Chinese, in Portland, on a charge of killing Lum Fong, another Chinese. The court holds that the introduction of an uncertified paper, which purported to show that when arraigned the defendant stated his true name to be Gung Shing, was an error of Circuit Judge Davis.

It was also held that the introduction of the testimony of W. E. Gray, a clerk in a bank, and J. G. Burness, a bank teller, which was of the general reputation of Seid Jan, a witness for the state, for truth and veracity, was an error. Three Chinese testified for the state and three for the defense.

"Each set of three Chinese either told the truth or deliberately falsified and that state of the record the admission of the incompetent writing constituted more than a mere technical error because it may have had much weight with the jury in determining which group of Chinese testified to the truth," says Justice Harris in his opinion. "It is likewise doubtful whether the language employed by the court in withdrawing the evidence of Witnesses Gray and Burness from the consideration of the jury was sufficiently emphatic to accomplish the purpose intended or enough to unring the bell."

Louie Hing was indicted for the murder in the second degree and the trial resulted in finding him guilty of manslaughter.

Locke Conviction Affirmed.

Salem, Or., Sept. 21.—The supreme court today affirmed the conviction of John A. Locke, a trainman employed by the Oregon Electric railway, on a charge of polygamy. Locke had a wife in Portland and married another in Salem. The second wife made her home at Eugene, and Locke, who had a run from Portland to Eugene, maintained two homes. Locke was convicted in Circuit Judge Harris' court in Lane county. Justice Bean wrote today's opinion.

BOUNDARY BOARD MAY CHANGE LINES OF SCHOOL DISTRICTS

Salem, Or., Sept. 21.—The supreme court today held that in the case of school district No. 35, Tillamook county, against the district boundary board, the "proceedings, in taking from the plaintiff district part of its territory and giving it to other districts, were valid, and Circuit Judge Holmes' action in sustaining a demurrer to the complaint is sustained. Justice Burnett wrote today's opinion.

The plaintiff's contention that the district boundary board, deriving its power as it does from the legislative assembly, has no authority to change the boundaries of a school district, because that is tantamount to the amendment of the charter of municipality with the inhibition of section 2, article IV of the state constitution, is not upheld.

"In substantially the present form the rule for changing the boundaries of school districts through the action of a district boundary board has been in existence from a date prior to the adoption of the amended form of section 2, article XI," says Justice Burnett in his opinion. "It is one of the essential features of the constituent law of school districts."

The court holds that no enactment from any legislative source has in any manner prescribed the boundaries of the plaintiff district.

The constituting act, it is held, has committed the establishment and control of a district to a district boundary board, and that body in making changes simply administers and does not amend the laws under which the plaintiff district exists.

Advertising Case Affirmed.

Salem, Or., Sept. 21.—The supreme court today affirmed the judgment of Circuit Judge Davis of Multnomah county in the conviction of Edwin Hollinshead on a charge of advertising the treatment of certain specific diseases in violation of section 2095, Lord's Oregon Laws, as amended by the legislature in 1913. The defendant contended that the act prohibiting the alleged objectionable advertising was unconstitutional and void. The court holds that the subject of the act is fairly expressed in the title. It is also held that the act is not class legislation, and is not in violation of the constitutional guarantee of equal protection of the law.

The purpose of the act is clearly in the interest of the public morals, the court declares. It is designed to protect youthful and inexperienced humanity from designing men who would prey upon their calamities, as well as to prevent the spreading broadcast of the harmful idea that certain diseases are easily and cheaply cured, it is pointed out in Justice Benson's opinion.

Successor to Dumba Has Been Appointed

Dispatches State That Ambassador's Successor Is Selected, but Name Has Not Been Announced.

Budapest, Sept. 21.—(I. N. S.)—A successor to Dr. Konstantin T. Dumba, the Austro-Hungarian ambassador, whose recall was asked by President Wilson, has been appointed, according to dispatches received here today from Vienna.

SMALL HOPE FOR FORAKER

Cincinnati, Ohio, Sept. 21.—(I. N. S.)—A bulletin from the bedside of former Governor Joseph B. Foraker, lying at Christ's hospital here with a prostatic affliction, states that the patient's condition makes a proposed operation for his relief impossible. An effort will be made today to bring about conditions which will allow the surgeons to proceed, but there is little hope that the operation will be successful.

Dandruff Soon Ruins the Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails. (Adv.)

Resinol Soap clears bad complexions

If you want a clear, fresh, glowing complexion, use Resinol Soap at least once a day. Work a warm, creamy lather of it well into the pores, then rinse the face with plenty of cold water.

It does not take many days of such regular care with Resinol Soap to show an improvement, because the Resinol medication *soothes* and *refreshes* the skin, while the pure soap, free of alkali, is *cleansing* it.

When the skin is in a very neglected condition, with pimples, blackheads, redness or roughness, spread on just a little Resinol Ointment for ten or fifteen minutes before using Resinol Soap.

Resinol Soap is not artificially colored, its rich brown being entirely due to the Resinol medication it contains. Twenty-five cents at all druggists and dealers in toilet goods. For a trial size cake, write to Dept. 4-P, Resinol, Baltimore, Md.

CATARRH GERMS EASILY KILLED

Only Way to Stop This Disease Forever Is to Destroy the Germs That Cause It.

If you have catarrh and want to get rid of it you must kill the germs which cause catarrh. Stomach dosing, ointments, sprays, creams, douches, etc., fail because they overlook this fact. They all help by giving temporary relief but they do not reach the germ life that has found lodgment in your head, nose, throat and could not destroy it if they did.

The best known way of destroying the dangerous germ of catarrh and consequently ending the disease itself is to breathe into the air passages of your nose and throat the pleasant, penetrating air of Hyomei (pronounced High-o-me). Hyomei is made from purest oil of Eucalyptus combined with other powerful healing, antiseptic and germicidal ingredients. You breathe it through a little hard rubber pocket inhaler which comes with every complete treatment. Every time you inhale the sweet fragrant air of Hyomei through this little device you are driving into your swollen, inflamed, germ-laden membranes a vapor which will not only reduce the swelling and inflammation and open your clogged nose and stopped up air passages but will absolutely and positively destroy every trace of catarrh germ life it reaches. The Owl Drug Co. and many other leading druggists in this vicinity are so sure of the blessed lasting relief that Hyomei brings to catarrh sufferers that they sell it invariably on a positive guarantee that money paid will be refunded if successful results are not secured from its use. Right now, while you have the matter in mind tear out this notice and take it into your druggist the next time you pass his door. Be sure to get the complete Hyomei outfit which includes the "inhaler." This makes it easy to breathe the Hyomei way up into the air passages and you can begin at once to drive this dangerous, disgusting disease from your system forever. (Adv.)

THE WANT AD FULFILLS MANY REQUIREMENTS

It will find a position for the unemployed, locate suitable help, sell a used automobile, place you in touch with a trade for something you haven't any use for, sell your real estate, or rent your home. Incidentally it will help out in dozens of other ways. Insert a want ad a few times and note the results.
