Yuan Shai Kai and Chinese Parliament Agree to Issue \$10,000,000 Bonds to Finance Transpacific Line.

Chinese parliament have definitely decided to issue bonds for \$10,000,000 to word received here today.

As a result of their action a new line of freight steamers will be running between this port and China ally be replaced with passenger yessels as they can be purchased until service becomes an active competitor with the Japanese lines for both classes of business.

The new company will sail its ships managed and partly financed by Amer-

Uhrland Active in Line.

Shewan Temes and company who at eady manage or represent nine large steamship lines in the orient, are back of John C. Phrlaub, New York capitalist, a brother of C. J. Uhrlaub, former head of the Central Trust company of Illinois, and now president of the Chicago, Milwaukie & Puget Sound railroad, who will be active in the new

Six months ago Uhrlaub, who has spent much of his life in the orient and speaks Chinese fluently, went to China and interested President Yuan in the steamship enterprise. He secured the provisionary promise that if \$5,000,000 could be raised in this coun-Chriaub returned to this country, already having secured the backing of Shewan Tomes & Co. for A part of the \$5,000,000. The rest of the sum he raised in the United States.

To Raise \$8,500,000 Cash. Uhrland is on his way back to China

now to complete the deal. He sailed from here on the steamer Tenyo Maru after a conference at the Cliff hotel with local business men, among them officials of the Chamber of Commerce He was then confident of securing the \$10,000,000 in China and the receipt of today's news verifies his claims.

The Chinese bonds will bear 6 per cent interest and will be sold at 85 during a period of two years. means that \$8,500,000 in actual cash

Bright Lights Too Much for Drivers Deny Permission

Centralia, Wash., Nov. 5 .- Blinded by the lights of a big auto, the driver of which did not stop to find out what damage was done, Robert Ramsey, a local dairyman, Wednesday night drove ud (Thehalis, Mrs. Ramsey sustained three broken ribs Hugh Ramsey and Miss Laura Faulkner, who were also in the car, miraculously escaped injury. The car turned over twice going down a 10 foot embankment.

The same bright lights caused Henry Balch to send his car into the ditch a few moments after the accident to the Ramsey car. He was uninfured however. Both machines were badly dam-

Seamen's Law Does Not Halt Single Vessel

Predictions That Shipping Would Be Tied Up By Operations of New Law Fail to Pass.

San Francisco, Nov. 5 .- At nightfall last night not one of the dozen steamers and other craft due to make the nitial journey under the provisions of ie La Follette seamen's bill had been cfused clearance. All got away with flying colors. This in spite of recent predictions that shipping in San Francisco harbor would be tled up when the new law became operative.

The St. Helens and the Stanley Dollar were allowed to clear by Collector President Yuan Shai Kal and the of the Port Davis without being equipped with the required number of able bodied seamen. Davis used the discretionary powers vested in him by the department of commerce to pass the two vessels, the owners of which proved that it was through no fault of had not been complied with. The Stan- while an election was being held Meanley Dollar left Portland for Valparaiso before the act became effective.

All the other outgoing vessels were manned by deck crews of which 40 per and with full complements of boats, officers and the specified life saving apparatus. Ships due to put to sea loday will have no trouble in obtainunder the Chinese flag but it will be ing clearance, although it was treely admitted by customs officials that it several days before all the technicalities of the act could be boiled down into working shape.
