offered by the local trade at \$1.25 a cental resulters with average offerings around 10%1.15 per cental. Off quality stock quoted from 90c to \$1 generally.

No outside business is at present reported here. This is due to the fact that specula-tive interests who did most of the former buying at extreme prices have about secured, all the stock they can take care off. But little stuff has been actually shipped to the outside; practically all purchases are beig held in warehouses at Parific northwest bints until a shortage appears in California and twices advance there

GEESE ARE HARD TO SELL Dressed goese are in very heavy suppry along Front street. Stocks are accumulating with only limited demand and prices lower. Average sales along the street during the last 24 hours at 14c for extreme quality.

DUCK MARKET IS VERY SLOW Market for dressed ducks is also very slow slong the street. The entire poultry trade it quiet. Chickens are just about holding steady but the movement is restricted. Receipts are again quite fair.

LITTLE CALL FOR VEALS NOW Very little call is showing for veals in the cresed mest trade at this time. Along Front treet come supplies have been held over for
