Utah Senator Takes Issue With Secretary of Treasury McAdoo's Recent Estimate of \$112,806,394.

SAYS TOTAL WILL BE NEARER \$300,000,000

Charges Treasury Balance Increased by Changes in Bookkeeping.

laking direct issue with Secretary of of Utah, leading financial authority of the Republican side of the senate. onight asserted that the administra ion will face a deficit in 1917 that will be nearer \$300,000,000 than the \$112,806,394.22 estimated by Secretary

In a lengthy statement discussing he treasury statement, Senator Smoot nade the following points:

Senator Smoot's Contentions. That the treasury balance has been arbitrarily increased by a "change of bookkeeping" because of the "imperative necessity to make it appear that the treasury is not practically bank-

That the measures proposed by Sec. retary McAdoo for increasing revenues go street about 6:30 o'clock last night, will fall far short of the needs of the treasury and the administration finally must turn to a bond issue of tariff revision to refill the depleted

As opposed to Senator Smoot's state-

ent, Senator Simmions, of North Cachairman of the senate finance committee, in a statement today indorsed the secretary's plans for raisng money, although he said he was whose names were in the directories out in a position to state the amount showed that the name was not that of that would be needed.

In addition to continuing the present war revenue law and the one cent a pound duty on sugar, Senator Sim mons particularly advocates taxin automobiles and gasoline. He indorsed increased appropriations for national defense and plans for securing an American merchant

Senator Simmons also favors Secretary McAdoo's plan for increas-Attacks McAdoo's Statement. The statement issued yesterday by Secretary McAdoo was attacked in despeaking campaign in Wisconsin tail by Senator Smoot. The Republi-

ent fiscal year, the secretary counted on \$28,000,000 too much The senator also pointed out that a treasury balance of \$40,898,894.97 indicated in the daily statement for that it will be down the lines which September 30, 1915, was arbitrarily increased by more than \$87,000,000 in the heat day's statement

> "This apparent increase," he said, was in bookkeeping alone and was procured by the transfer from the liabilities to the assets side of the ledger of the disbursing officers' balnces and the government note redemption fund, both of which have always been recognized as liabilities of the government and by the inclusion subsidiary silver coin, minor coins and silver builton, none of which has even been considered as available for the payment of government expenses,

Gives Figures on Total Deficit. Senator Smoot sold that the Republican administration turned over to the Democrats in 1913 a treasury 11.78 and that by September 30, 1915, the balance had been diminished by \$108,436,816.81.

In addition to this, he said, the reasury statements show a loss since September 3: of \$6,000,000. the total deficit under the Democratic Pedro. Eight hundred tons of cargo administration in the treasury up to
