FAIRLY GOOD RETURNS ARE RECEIVED FOR THE SELECTED APPLES Weakness in List

ARE FIRMER WITH A RISE IN QUOTATIONS

Big Packers Are Entirely Sold Out is a fair demand at this time for turkeys and Standards Are Up to 90@ 95c Dozen Here.

fomato market is attracting much attention one thing is certain Portland generally averfrom the canned goods trade throughout the ages better values than any other primary builted States. With the eastern crop all but market on the Pacific coast.

today is quoted at 90 to 95c a dozen by local terests quite high figures. It is not expected sobbers, or 20c a dozen above initial figures. jobbers, or 20c a dozen above initial figures.

Fact that the east had a comparatively upon the price for the Christmas trade.

small output of tomatoes this season, caused shortage here and extremely firm prices along With jobbers unable to repleash their solld pack tomatoes, it is expected

practically none available in any hands.

EGG TRADE IS WAVERING Trade in the egg market is wavering be-ween steadiness and weakness. Some deal-rs claim that there is a smaller demand with a slight increase in offerings, the coast generally easier, two.

CHICKENS ARE CLEANED UP Practically all chicken supplies were cleaned up last Saturday and at the opening of the week mere were practically no offer-ings. General situation is considered steads at full values for quality.

ONION MARKET IS DRIFTING Market for onions is drifting locally with some poor quality being offered at lower prices. Good quality is steady to firm at the former range. Polatoes are holding steady with the trade fair.

DRESSED VEALS IN DEMAND Excellent tone is showing in the Front Breef trade for best quality country killed I calves with prices well sustained at Do a \$ quoted slow with no further price change.

SMALL SUPPLY OF SMELTS Very small supply of Columbia river smelf offerings were too limited to base quotations. The gun thus far has been extremely dissppointing to the general trade.

BRIEF NOTES OF THE TRADE Orange decline in effect, Butter market is steady,

Cheeve continues firm California egg plant offering at 10c. Cabbage demand slightly better. Jan oranges are not selling well-

Change Basis of Rate Making.

would base the rates on commodities would base the fates on commodities according with their values. It would then be optional on the part of a shipper to declare the actual or less than full value of the goods shipped, but the shipper could not remover damages in excess of his own declaration. Under the proposed plan it would be unnecessary to declare the value who has been the receiver, is president of baggage or express unles the ship wanted especialy to protect him This amendment, it is said 14% | 14% | has the unofficial endorsement of the

interstate commerce commission. Bemedy for Car Shortage.

Government of the principal causes for the freight car shortage is the fact that payments for war supplies and munitions become due when the articles themselves are loaded on the freight cars. The American Railway association proposes a remedy for the congestion of the proposes a remedy for the congestion of the payments for war supplies and munitacturing, and expert accountaints have figured out that the company to the proposes a remedy for the congestion of the profits. The experience of the American Loco-multiple to the freight cars the payments for the profits.
