

FRATERNITY MEN ARE WAITERS AT BANQUET TO EUGENE 'KIDDIES'

One Hundred Poor Children Are Made Happy at Entertainment of U. of O. Boys.

Eugene, Or., Dec. 17.—Over one hundred poor children of Eugene were made glad and their hearts warmed with the aid of hot chocolate, sandwiches, candy, a real Santa Claus and a real Christmas tree, as guests of non-fraternity students of the University of Oregon at the Commercial club rooms last night.

The big dining room was filled with happy youngsters of all ages and ages, many of them accompanied by fathers and mothers, who sat in an outer circle in the rear watching the performance. A huge Christmas tree stood in one corner decorated in true holiday style. The kiddies were played in games in a semi-circle about the room.

This entertainment was the first one ever attempted by students of the university on such a large scale but it was such a success the intention is to make it an annual affair. The inter-fraternity council, with representatives from all the non-fraternities, were hosts of the affair. All fraternities sent men to wait on and care for the children. It was necessary to hold the entertainment at this time for the reason that the majority of students will leave for their homes on Christmas vacation tomorrow.

Believes Roseburg Girl Missed Vessel

Diligent Search Fails to Reveal the Whereabouts of Miss Gertrude East Who Sailed From Philippines.

Roseburg, Or., Dec. 17.—No additional information has been received here to throw any light on the whereabouts of Miss Gertrude East, the popular Roseburg girl, who has failed to arrive from Manila, P. I., although due to arrive several days ago. She is a daughter of Mrs. Clara East, one of the early settlers here.

Her brother-in-law, County Treasurer James East, who has been making a diligent search for her by wire and radio, is inclined to believe she has not met with an accident, but missed her boat in Manila. No answer as yet has been received from her sister, Mrs. Stanley Kinder, with whom she was visiting at Manila, as to the result of her efforts to locate the missing girl. Kinder is employed in the government service at Manila.
