Break a Child's Cold by Giving Syrup of Figs

Look, Mother! Is tongue coat-
ed, breath feverish and
stomach sour?

Cleanse the little liver and
bowels and they get
well quickly.

When your child suffers from a cold
don't wait; give the little stomach, liver
and bowels a gentle, thorough clean-
ing at once. When croup, peevishness,
listless, pale, doesn't sleep, eat or act
naturally; if breath is bad, stomach
sour, give a teaspoonful of "California
Syrup of Figs" and a few hours later
all the clogged-up, congealed waste, sour
bile and undigested food will gently
move out of the bowels, and you have
a well, playful child again.

If your child coughs, snuffles and
has caught cold or is feverish or has a
sore throat, give a good dose of "Cal-
ifornia Syrup of Figs," to evacuate the
bowels, no difference what other treat-
ment is given.

Sick children needn't be coaxed to
take this harmless "fruit laxative."
Millions of mothers keep it handy be-
cause they know its action on the
stomach, liver and bowels is prompt
and sure. They also know a little
given today saves a sick child tomor-
row.

Ask your druggist for a 50-cent bot-
tle of "California Syrup of Figs," which
contains directions for babies, children
of all ages and for grown-ups plainly
on the bottle. Beware of counterfeiters
and get the genuine made by
"California Fig Syrup Company." (A.D.)

REHEARING OF CASE OVER STATE ENGINEER MAY NOT BE GRANTED

Shorten Time in Which Coun-
sel for the Governor and
Treasurer May File Motion

LEWIS WILL TAKE CHARGE

Will Head Department if Decision of
First Hearing is Held to
by the Court.

Salem, Or., Jan. 5.—The supreme court today decided to shorten the time in which McNary and McNary, counsel for Governor Withycombe and State Treasurer Kay, as members of the state highway commission, shall have an opportunity to file a motion for a rehearing in the case brought by Peterson and Johnson in which State Engineer John H. Lewis was declared head of the state highway department. The court notified McNary and McNary today that the motion for a re-hearing must be filed by next Monday.

Time Was Shortened.
The action of the supreme court in shortening the time in which the motion for a rehearing must be filed was taken following a motion of Har-
rison Allen, counsel for Peterson and Johnson, contractors, for an execution on the writ of mandamus requiring that State Engineer Lewis proceed to furnish the contractors with a final estimate on highway work performed in Clatsop county.

In case a rehearing is refused, as is expected by many people who are familiar with the law and who say that the recent decision covered all the questions that had been brought before the court, Lewis will soon there-
after take charge of the highway de-
partment. No drastic changes are expected for a while, at least.

Must End Controversy.
The controversy between Cantine and Peterson and Johnson over the Clatsop county contract must be cleared up in some way and if Cantine recognizes that he must serve Lewis and is of real assistance to the state engineer it is possible that he will not be ousted. Lewis is not disposed, however, to countenance carrying on the payroll anyone who is not necessary to the successful operation of the department and, in case it develops that Cantine is not a state engineer, a recommendation that the highway commission discontinue his services is expected. It is also expected that before Judge Frank H. Rudin an-
nounces his decision on the charges of affairs he will endeavor to curtail the expenses of the department by eliminating some of Cantine's chief subordinates.

The carrying out of the court's man-
date that he prepare a final estimate for Peterson and Johnson will mean much work for the state engineer, the engineer and his men will have to check over the highway work and data and endeavor to ascertain what are the facts.

Police Report Is Made.

Salem, Or., Jan. 5.—There were 502 arrests made by the Salem police during 1915, according to the annual report of Chief W. H. Curtis, which was filed today. During the period 1915 was served to prisoners at a cost of \$350. A total of 101 bicycles were stolen during the year and 50 were recovered by the police and returned to the owners. Two men arrested are serving time in the penitentiary, five boys were sent to the state training school and one girl was committed to the industrial school for girls.

Million Raised to Aid Suffering Jews

Indications That Double the Amount
Will Be Raised by American Relief
Committee From Meetings Planned.

New York, Jan. 5.—(I. N. S.)—The American Jewish relief committee ad-
vised today that its fund for the relief of Jewish war sufferers in Europe had passed the million mark. The actual figures given out were \$1,007,892.67. There is not the slightest doubt that it is said that the fund will go well beyond the two million mark before the end of January. It is believed that at least \$500,000 will be raised at the big mass meeting to be held in Chicago.
