have in some manner become inocu- weeks. lated with the idea that the Great Northern Pacific Steamship company remark of one passenger; "we'll be not to return to this run, the steamer Great Northern now on Honolulu service. With better weather the Northern Pacific can be placed on reg-ular five day service, however, and their capacity raised to 3750 tons per

But to handle next season's business only 7490 tons per week can be as-sured. Argument that additional vessels can be secured at that time is advanced but if conditions continue as they are at present even small steamers would_be worth \$400 a day and Lose City.

rates accordingly high. Portland ships during the present ime over 1000 tons of news paper to an Francisco and Los Angeles by Wheat shipments will run between 1000 tons and 4000. It is pointed out that with the wheat movement of any particular size freight space is to

Northbound conditions are not so tight, however. Cargoes of 1900 tons are rarities owing to the competition of the Parr-McCormick Steamship to the competition of the part-McCormick Steamship to the competition of the com company and other small steamers. The present steamer lines can readily more substantial profit for the existing lines is assured, however, and in shipping offices there was considerable satisfaction on this score.

The Geo. W. Elder which has been Monterey, Am. barge withdrawn from the Portland service has been running from this port for 41 Years. She was brought out by the San Francisco & Portland Steamship company, and operated first on the San Francisco run. Later she was ent to Alaska but returned to the San Francisco run after the gold rush was ever. She was wrecked January 21. 1906, off Goble in the Columbia river Unatilla and her hulk bought by "Lucky" Jack Eugene Peterson for a sum said to be \$10, Albany 100. She was later floated and sold by him to the Detroit Wrecking company Oregon City for a sum said to be \$100,000. She has been in the North Pacific Steamship

company service out of here to Coos

Quarantine Ship Modernized.

Astoria, Or., Jan. 8.—Dr. Ebert, in charge of the local quarantine station, iteday received authority from the department in Washington to place steering as bunks in the forecastic of the old gunboat Concord, as well as to furnish the staterooms and properly equip the galley. The Concord was sent to the station recently to be fitted up as a detention barracks for the accommodation of passengers on any vasel which may be placed in quarnine on account of coming into the contagious diseases on any tastely, will provide accommodation. Without going to the expetite on the Dr. E. Sauer, Specialist, or this city said to make an actual blood test of the individual, to cross the lifyou were to make an actual blood test continent, perhaps, to hear t ese great on all people who are ill you would probably new post.

Without going to the expetite on the Dr. E. Sauer, Specialist, or this city said to remain a siling all the time double, and even triple their strength and endurance and entirely new post. out price, though its import may be iriceless in its uplift to him.

Executive Secretary Goodell earnestly urges all men members of Oregon churches to register as delegates that they may participate, in this upper that they may participate in this change food into living tissue and therefore the power to check and good sound, healthy flesh on your ment to bones. It is also a great perce and stomach upper to the proper form, and this, after they had in some eases then the multitude all their multitude all their multitude all the wonders wrought by new remedies, but when you come down to hard facts there is nothing the proper to check and good sound, healthy flesh on your more at religious ways of best and stomach upper the proper to the story of the story of the proper to the story of the proper to the story of the story of the story of the proper to the story of the story of

cific coast seem at present to be the principal objectives of the great bulk of eastern winter tourist travel, and this travel is sure to increase with the coming spring and summer.

"During the exposition probably 60 per cent of the travel was from the middle western states. The people receipted and their vision broadened, their vision broadened, their travel and their whole thurdened with unhealthy fat; some are so weak they can hardly walk; some think they have dyspepsia, kidney or liver trouble; some can't sleep at night, others are sleepy and tired all day; some fussy and irritable; some per cent of the travel was from the committee, hereto ppended, from that section of the country so city.

A glance through the nam's of the general convention committee, the additions. One is too thin; another is turdened with unhealthy fat; some are so weak they can hardly walk; some think they have dyspepsia, kidney or liver trouble; some can't sleep at night, others are sleepy and tired all day; some fussy and irritable; some woman under sixty who is can't sleep at night, others are sleepy and tired all day; some fussy and irritable; some woman under sixty will ferfeit \$100.00 to any Charitable.
