

SWINE FUTURITIES TO BE MADE FEATURE OF STATE FAIR IN 1916

Sheepmen and Horse Breeders Seek New Classification for Annual Show.

Salem, Or., Jan. 13.—The state fair board passed a resolution Wednesday afternoon that hereafter when a member of the board indicates himself for any amount he shall pay it himself. The resolution was passed in connection with the granting of a demand of W. C. Hall of Eugene for the return of \$25 paid in 1914 for space in the manufacturers' building. Hall became ill and, before the fair opened, asked that his money be returned. Nothing was done in regard to his request, but it appeared in the correspondence shown that Mrs. Edith Tozier Weathered, a member of the fair board, had promised him that his money would be returned.

N. K. West, who introduced the resolution, declared that if the demand should not be made, for when an exhibitor purchased space he was not entitled to any refund and had never been the practice to give him any.

Swine Futurities Planned.

The appointment of a representative at the North Pacific Fair association meeting in Seattle was left to Vice-President Seely.

It was decided to appropriate \$100 to secure \$400 from a Durco camera association and \$150 to get \$600 from a Poland-China association and to stage futurities at the 1916 fair.

Sheepmen made recommendations which would mean four new classifications and that the Durco camera association wanted an increased number of prizes for each class and suggesting that stallions in harness and mares with colts be their side be added to the list.

There was a discussion over whether the Oregon Mothers' congress should be allowed \$100 for maintaining a room at the fair last year. West said he understood that the board had decided to eliminate all expenses relating to eugenics and the congress.

Peck Urges Survey.

Prof. Peck of the U. S. A. urged the board to have a survey made of the grounds so that it would know what it can and cannot do in regard to buildings, tilting and other things. He also recommended that the nursery and said nurserymen he had talked with in regard to the matter were heartily in favor of it.

It was voted to have some repairs and changes in the dairy barn.

The pass question will probably be aired at the annual meeting next Tuesday. The subject was brought up by Savage, who said that although 255 passes were supposed to have been given out to newspaper men, he had heard complaints that they were not received.

Death Hastened By Cold, Hunger

Victim Believed to Be Audley E. McClellon; Found Unconscious in Pool

Found blue with cold and unconscious in Erickson's pool hall early this morning, a man believed to be Audley E. McClellon, 23 years old, of Los Angeles, died at Emergency hospital at 3:45 o'clock yesterday afternoon.

McClellon was found by Detective John Goltz this morning. He had been wandering the streets all night, penniless, weak from hunger, and without a home. He finally fell into the pool room, becoming unconscious the moment he entered the place.

He was brought to the hospital where City Physician Zeigler tried all day to bring him to. The efforts were unsuccessful and the man died this afternoon.

A card bearing the name of Audley E. McClellon, 917 East Twenty-ninth street, Los Angeles, was found on him.

Oregon Is Sixth as A Producer of Gold

Value of Yellow Metal Mined in Oregon in 1915 Is \$1,739,400; California Is in the Lead as a Producer.

San Francisco, Jan. 13.—(P. N. S.)—California leads Colorado in the value of gold production in 1915 by \$311,400, according to the report of Director of the United States Mint Woolley, made public yesterday. The total production for California in 1915 is placed at \$2,092,500, and for Colorado at \$2,191,200. The California figures are larger than the state estimate recently given out. The total production of gold in the United States in 1915 is given at \$85,000,000, an increase of \$4,359,300 over 1914. The production of silver during the year totaled \$5,445,600 fine ounces, being a reduction from the production in 1914 of 4,969,500 fine ounces.

The report shows the following returns for western and Pacific coast states:

State or Territory	Gold	Silver
Alaska	\$84,377	\$19,625,700
Arizona	18,937	5,074,100
Cal.	1,112,296	25,905,800
Colo.	1,070,499	22,191,200
Idaho	97,725	10,395,300
Nevada	547,349	11,214,700
N. Mex.	93,171	1,430,400
N. Oregon	81,144	1,430,400
Wash.	12,926	267,200
Wyo.	877	20,200

Woman Indicted for Arson by Polk Jury

Amanda Bedford and Dennis McCormurray Charged Jointly in Connection With Destruction of Hotel by Fire.

Dallas, Jan. 13.—An indictment charging arson has been returned by the Polk county grand jury against Dennis McCormurray and Amanda Bedford, of Independence. They were the owners of the old Stark hotel there, which burned on the morning of November 6, the fire destroying a half block of business property.

Both have been arrested. They are to be arraigned at 10 o'clock today. Frank and Clifford Smith, brothers, also of Independence, were indicted for gambling and have been arrested. They are proprietors of a pool room.

Salt Works Burn.

Oakland, Cal., Jan. 13.—(U. P.)—Fire of unknown origin has completely destroyed the main salt works of the Oliver Salt company at Mount Eden, near here, causing damage estimated at \$100,000.

Snapshot Damns Damage Suit Woman Alleged Side Paralyzed

Mrs. Margaret Chapman (at right), who sued Portland Railway, Light & Power Co. for \$20,710 to recover for injuries claimed to have been suffered in collision. Picture was taken by "pleasant young man," a chance acquaintance, met at southern California beach resort. It was introduced in evidence to rebut woman's assertion she is "near physical wreck."

Photography and a chance acquaintance robbed Mrs. Margaret Chapman of any possibility she might have had of collecting \$20,710 damages from the Portland Railway, Light & Power company. Camera pictures were introduced as evidence in the suit to prove that Mrs. Chapman had not "lost her grip" in the left hand and that her arm was not permanently impaired.

White Salmon Wharf Company in Session

White Salmon, Wash., Jan. 13.—The White Salmon Wharf company at its annual meeting and election of officers elected the following for the coming year: H. Hunsacker, president; I. Wyss Sr., R. Lauterbaugh, trustees; William Wells, secretary.

Water Company Elects.

White Salmon, Wash., Jan. 13.—At the meeting of the White Salmon Water company William Overholt was elected president; J. C. MacInnis, secretary; I. Myers Sr., manager; R. Lauterbaugh, George L. Aggers, William Manly, R. A. Byckett directors.

Physicians Change Places.

White Salmon, Wash., Jan. 13.—Dr. Van L. Marsh of this city has been succeeded by Dr. C. R. Zener of Wapakoneta, Ohio, to fill a post offered him there.

Postal Clerks Born Same Day, Year

Albany, Or., Jan. 13.—Will Myers and John members of a local postoffice force, Tuesday observed their birthday. Both were born on the same day in the same year. Another coincidence is that today was also the birthday of Mr. Myers' wife, but she is six years younger than her husband. Myers was born in Missouri and Humphrey in Pennsylvania on January 12, 1882.

Girls! Beautify Your Hair and Stop Dandruff

Hair becomes charming, wavy, lustrous and thick in a few moments.

Every bit of dandruff disappears and hair stops coming out.

Resinol Soap

makes clear skins and good hair

For 25 cents you can have your hair. In less than 10 minutes you can double its beauty. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and charming as a young girl's after applying some Danderine. Also try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it. (Adv.)

Difficult to Keep Your Hair Wavy? Read This

If you have not yet tried the new way, the silmerine way, by all means do so. You'll never again use the tedious heated iron. The curliness will appear so perfectly natural and the hair will be so beautifully lustrous. Instead of dried and perched. Thus liquid silmerine serves also as a beneficial dressing for the hair. It is neither sticky nor greasy, but quite pleasant to use. It should be applied at night with a clean tooth brush, drawing the latter through the hair from root to tip.

The hair will have the loveliest curls and wave imaginable in the morning, and it will be easy to manage, no matter how you do it. A few ounces of the liquid from your druggist will last a long time.—Adv.

PERRY LOWE, EUGENE, IS KILLED BY BROTHER WHILE OUT HUNTING

Alden Lowe Says He Thought Victim Was Deer or Some Other Animal.

Eugene, Or., Jan. 13.—Perry Lowe, 35 years old, was shot and killed by his brother, Alden Lowe, in the mountains four and one-half miles above Vida, in the McKenzie valley east of Eugene at 3 o'clock this afternoon. Alden claiming he mistook his brother for a deer or some other animal in the thick brush.

They were separated as usual. While hunting, Alden saw something a few yards distant in the brush, and believing it to be a deer, took careful aim and fired. He was horrified to hear some one call out in pain, and, running forward, found his brother prostrate on the ground with a bullet hole through the body. The wounded man died in 15 minutes.

Runs for Help.

Alden ran the entire distance to his home and notified his father and a number of neighbors, who brought the body in from the woods.

Coroner Marlon Veatch was notified of the shooting over the telephone. He was first informed that no one wanted to act as inquest, as Alden's story was not doubted, but later received word that no one would lay the body out before the coroner had made an investigation.

Will Investigate Shooting.

The coroner will leave tomorrow morning to make an investigation. If he deems an inquest necessary, he will hold one.

The two brothers were living with their father, John Lowe, on a farm near the McKenzie river. Perry had been away from home for six years and returned only about Christmas time to visit his father and brother.

He had been in southern Oregon and California. They had been out hunting several times since his return. Alden says they were looking for wildcats or cougars today when he made his fatal mistake.

Grant county, residing near Long Creek, returned a few days ago from Portland with his bride of one week. He was confronted with officers of the law armed with a warrant for his arrest, charging him with the larceny of cattle. He was brought to Long Creek, waived examination before a justice of the peace and placed under a bond of \$1000 which was furnished with cash security.

The case is of considerable interest as cattle rustling in the northern part of the county has been the source of much annoyance to stockmen.

Elected Head of Roseburg's Commercial Organization; S. S. Josephson Again Selected as Secretary.

Roseburg, Or., Jan. 13.—I. A. C. Seely was elected president of the Roseburg Commercial club at the annual meeting held here Tuesday night. Other officers elected were: J. E. Baker, vice president; S. S. Josephson, secretary; John M. Throne, treasurer; Henry Harth, M. F. Rice and Bert Sutherland, trustees.

Gives Port Orford Lifesaving Station

Representative Hawley Introduces Bill Appropriating \$12,000 for Oregon Coast Town.

Washington, Jan. 13.—(WASHINGTON BUREAU OF THE JOURNAL.)—Responding to requests from the citizens of Port Orford, Or., Representative Hawley has introduced a bill appropriating \$12,000 for a life saving station there.

That Georgia is not backward in asking for stations along its coast line is shown by the fact that on the same day the Hawley bill was presented Edwards of Georgia, introduced a measure for six new stations in that state.

Faithful Servants Face Will Contest

County Clerk Coffey Receives Telegram from Boston Indicating That Relatives of Hamilton Will Fight.

Prospect of a contest of the will of Louise E. Hamilton was given yesterday in a telegram from Boston, Mass., to John H. Coffey, county clerk, requesting that probate of the will be postponed until James Byrne can have time to bring suit for a share of the estate. James Byrne is a nephew of John

For, a brother of Mrs. Hamilton, is the nearest kin, but his address is unknown to administrators of the estate.

The will, which was filed yesterday for probate, disposes of an estate that brings an income of approximately \$2000 a year and of personal property valued at \$1000. The entire estate was left to Lena Thiel and T. M. Tatesh, "faithful servants" of Mrs. Hamilton.

BREAKS A COLD IN A FEW HOURS

"Pape's Cold Compound" Is the Surest, Quickest Relief Known—It's Fine!

Relief comes instantly. A dose taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs. It promptly opens clogged-up nostrils and air passages in the head.

It promptly relieves or nose running, relieves sick headache, dizziness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffing! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine. Don't accept something else just as good. Insist on getting "Pape's Cold Compound" if you want to stop your cold quickly. (Adv.)

SPECTACULAR GUARD MANEUVERS FEATURE MILITARY TOURNEY

Armory Scene of Great Activity Last Night; Dancing Follows Exhibition.

Especially interesting in view of the campaign for preparedness now being waged in this country was the military tournament given by the several branches of the Oregon National guard at the Armory last night. The exhibition was followed by dancing.

Spectacular movements were staged by the different guard units, including the infantry, cavalry, coast and field artillery, naval militia and sanitary corps. Music was furnished by the Third infantry band recently formed at the Washington high school.

Movements shown included Butts' manual with guns, bayonet drill, first and third infantry, troop A, cavalry, Oregon National guard junior battery. A field artillery and the sanitary troops took part in the tournament. The Oregon naval militia was represented by a detachment recently formed at the Washington high school.
