A Hint to Mothers of Growing Children A Mild Laxative a Regular Interval Will Prevent Constipation.

A vital point upon which all schools of medicine seem to agree is that normal regularity of the bowels is an essential to good health. The importance of this is impressed particularly on mothers of growing children. A very valuable remedy that should be kept in every home for use on occasion arises in Dr. Caldwell's Syrup Pepsin, a compound of simple laxative herbs that has been prescribed by Dr. W. B. Caldwell, of Monticello, Ill., for more than twenty-five years, and which can now be obtained in any well-stocked drug store for fifty cents a bottle.

In a recent letter from Dr. Caldwell, Mrs. H. C. Turner, 444 Main street, Buffalo, N. Y., says: "I bought a bottle of Dr. Caldwell's Syrup Pepsin for my baby, Roland Lee Turner, and find it works just like you said it would. It is fine for the stomach and bowels."

A bottle of Dr. Caldwell's Syrup Pepsin should be in every home. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 154 Washington street, Monticello, Ill.—(Adv.)

ITCHING BLISTERS ON BOY'S HEAD Got Worse. Affected Ears, Neck and Face. Scratched Day and Night. Terribly Disfigured. HEALED BY CUTICURA SOAP AND OINTMENT "When four months old my boy suffered with blisters and a kind of scaly skin on his head. I got some salve and he didn't seem to improve but got worse and his ears, neck, and face were affected. He scratched day and night the itching was so intense, and we had to keep his hands pinned the whole time. The skin was sore and inflamed, and he didn't have a hair on his head. It was just a cap of sore eruptions, and his face was terribly disfigured. "He got so bad we had to keep a mask on his face. The trouble lasted for months when a lady told my husband about Cuticura Soap and Ointment, and we got them. The third day I noticed a big improvement and in two weeks my boy was healed."
