

### ROAD WORK PLANS IN DOUGLAS COUNTY GET SUBSTANTIAL BACKING

Roseburg Commercial Club Members to Make Careful Study of Highway Problem

### ESTABLISH NEW BUREAU

Information Will Be Furnished Tourists as to Condition of Roads in That Section.

Roseburg, Or., Jan. 25.—Road work in Douglas county this year will be the object of careful study and analysis, according to plans being made by the Roseburg Commercial club, instead of the mere agitation of better highways as has been practiced in the past.

Good, sound investigation, with consideration to plans being made by the Roseburg Commercial club, instead of the mere agitation of better highways as has been practiced in the past.

The new plan is the result of new methods now being installed by the Commercial club, and the men who have been most interested in road improvement work here in previous years, have agreed to handle a bureau of the club's work which has this phase of local conditions in charge.

The bureau will secure plans of the new Pacific highway as soon as they are finished, and other data will be obtained which will be of service in the way of making recommendations or suggesting legislation in road matters.

They also will handle the signs, posts and inform tourists of the dangerous crossings and other bad spots in the road. An important matter will be the information supplied to tourists as to the true condition of the roads and also suggesting to them interesting side trips while in this vicinity.

### Highway to Be Resurfaced.

Roseburg, Or., Jan. 25.—The Pacific highway will be hard surfaced for a distance of nearly a mile north of

Roseburg in the near future, according to County Judge Marsters. This part of the highway is one of the heaviest traveled roads in this vicinity. Last summer it was reconstructed, but improperly, it appears, and now is in a bad condition. Believing that the road should be hard surfaced, Judge Marsters recently went to Salem and obtained assurances from the state highway commission that part of Douglas county's state highway funds would be spent in paving this road, which will extend from the end of the pavement on Winchester street to the railroad crossing at Edenbrow.

### The Dalles Pioneer Dies of Pneumonia

Mrs. Henry Stuben Was Well Known and Highly Esteemed—Son and Daughter Live in California.

The Dalles, Or., Jan. 25.—Mrs. Henry Stuben, a long time resident of The Dalles, died Monday of pneumonia. She was well known and highly esteemed. The funeral arrangements will be made upon the arrival of her son and daughter from California.

### Rev. T. G. Hill Dies.

The Dalles, Or., Jan. 25.—Rev. T. G. Hill, a well known Baptist minister of Wapinitia, died Sunday. He was a brother of L. L. Hill of Portland, and Marshall Hill of Hood River and was well known in this section. The body will be sent to Brownsville for interment.

### \$71,903.95 Deed Is Filed at Montesano

Stade-Wells Logging Company Gives Mortgage on Holdings to the Weyerhaeuser Timber Company.

Aberdeen, Wash., Jan. 25.—A mortgage amounting to \$71,903.95 has been filed at Montesano in favor of the Weyerhaeuser Timber company and against the Stade-Wells Logging company.

### Spent \$220,000 for Roads.

Aberdeen, Wash., Jan. 25.—A shifting to a statement made today Grays Harbor county spent \$220,000 for roads in 1915.

### Wind Prevents Flood.

Aberdeen, Wash., Jan. 25.—A shifting of the wind from southeast to northwest has saved this section from a threatened flood. All log camps are gradually resuming.

### ELIMINATION OF FRUIT PESTS IS SUBJECT OF TALKERS AT MEDFORD

Orchardists and Fruit Men Gather to Hear Addresses on the Growing of Fruit.

### CAMPAIGN IS PROPOSED

Cate and Allen Will Head Work to Prevent Spread of Scab, Apple and Pear Blight.

Medford, Or., Jan. 25.—A large assemblage of orchardists and fruit men from all parts of the valley listened to addresses Saturday evening by County Pathologist Claude C. Cate, District Horticulturist A. C. Allen, retiring Entomologist Lewis G. Gentner and Professor R. C. Reimer of the state experiment station at Talent, all addressing their consideration to present orchard problems in this county and including a special appeal to the orchardists and vineyardists to cooperate with them in the extermination of pests and particularly to eliminating the scab and the apple and pear blight. The scab treatment is the chief problem in this valley at this time. A scientific campaign is proposed by Pathologist Cate and Horticulturist Allen, in which they will have the hearty assistance of the orchardists, if the interest manifested Saturday evening may be taken as indicating the progressive action that should follow.

While the blight required immediate attention, its prevalence is not so extensive and so serious as that of the scab.

Mr. Gentner urged the orchardists to spray once a month for the destruction of the codling, declaring that in this climate the moth is active throughout the entire season.

Professor Potter of the department of animal husbandry at the O. A. C. will deliver a lecture to those interested in livestock at the public library Saturday afternoon, January 31, at 2 o'clock.

This was the first of a series of meetings to be held at various points in the county during the present active season.

### Ballots Imperfectly Marked.

Medford, Or., Jan. 25.—The recount

of the votes cast in the first ward of this city at the recent election, on the complaint of F. V. Medynski, defeated councilman, resulted in a loss of three votes for Dr. J. J. Emmens, the ballots being imperfectly marked. The recount board found no evidence of fraudulent irregularities. It is believed that the defeated councilman's former purpose to submit the matter to the grand jury will be abandoned.

### MEAT INSPECTION ORDINANCE MUST BE SOMEWHAT MODIFIED

(Continued From Page One)

seriously inconvenienced or jeopardized, and the different persons interested can with reasonable safety make preparation to conform to the beneficial requirements of the law.

The case was brought by the Sterrett & Oberle Packing company et al, and Circuit Judge Gatens upheld the ordinance in all its features.

### Other Decisions Today.

Among other supreme court decisions today were the following: E. M. Kimball vs. Pacific Home Mutual Fire Insurance company, appellant, appealed from Marion county; suit to recover on an insurance policy; opinion by Chief Justice Moore. Circuit Judge Kelly affirmed.

A. Jakel vs. F. W. Seck et al, appellant, appealed from Linn county; suit to reform a deed; opinion by Benson. Circuit Judge Galloway's judgment for the plaintiff reversed.

Knute vs. Weinberger, motion to dismiss appeal denied.

Petition for rehearing was denied in Webb vs. Isensee.

The meat ordinance, held by the supreme court today to be discriminatory in some of its provisions, was prepared by Dr. M. B. Marcellus, city health officer, and was passed by the council after a bitter fight had been made against its adoption by a number of meat packers, butchers and shippers.

While the ordinance was pending, attorneys representing meat packers charged that the ordinance was drawn in favor of the Union Meat company. This charge was refuted by Dr. Marcellus.

A number of public hearings were held before the ordinance was adopted. Soon after its adoption inspectors were hired to enforce it, but when the ordinance was taken into the courts the inspectors were dropped.

### Divorcee Is "Unmarried."

Salem, Or., Jan. 25.—The supreme court today reversed the judgment of Circuit Judge Hamilton in the case of Charles L. Wallace, convicted of the crime of seduction under promise of marriage in Lane county, on the ground that the court erred in not instructing the jury that certain letters alleged to have been written by the defendant

should not be considered, because identified or proved only by the prosecuting witness.

The contention that because the prosecutrix was a divorcee she could not be considered "an unmarried female," was not upheld by the supreme court. The opinion was written by Justice Benson.

### Portland's Moose Welcome Dictator

W. J. Henning of San Diego Presented With Wreath of Roses Bearing New Slogan for Moose Fest

W. J. Henning, supreme dictator of the Loyal Order of Moose in this city yesterday and committee of Portland Order of Moose, composed of George R. Funk, George M. Orton, Andy Weinberger and B. E. Youmal. Last night, Mr. Henning addressed the meeting of the L. O. M. at Oregon hall. He will speak before a special meeting of the L. O. M. at Oregon hall in Portland with a wreath of roses and the new couplet, "For you a rose in Portland grows."

Mr. Henning resides in San Diego, and is visiting lodges en route to Los Angeles, near Chicago, the heart and home of Moose throughout the continent.

### Loomis Ready for Drew.

New York, Jan. 25.—(I. N. S.)—J. F. Loomis of the Chicago Athletic association, is expected in town tonight. Word was received from Chicago yesterday that the national champion is in condition for the Millrose games in Madison Square Garden tomorrow evening. With Howard P. Drew of Los Angeles, who is already in town, and Frank L. Stephenson, both in good condition, some of the prophets expect to see a new record for 70 yards put on the A. A. U. book.

### Wrestler Knocked Out.

New York, Jan. 25.—(I. N. S.)—Szyzako was knocked out in his wrestling match with Aberg at the Manhattan Opera house last night. After grappling for about 35 minutes Szyzako's head struck the press table, and he had to be carried unconscious to his dressing room. He was quickly revived, but was unable to continue. Aberg then took on Lurich and they wrestled 25 minutes to a draw.

### Denver Signs L. A. Youngster.

Los Angeles, Cal., Jan. 25.—(I. N. S.)—"Doc" White, former manager of the Vernon club, has signed Clarence Smith, local youngster, to play in the Denver outfield this coming season. White is said to be in line for the management of the Denver club.

# BREAKS A COLD IN A FEW HOURS

"Pape's Cold Compound" is the Surest, Quickest Relief Known—It's Fine!

Relief comes instantly. A dose taken every two hours until three doses are taken will end grippe, sneezing and break up a severe cold, either in the head, chest, body or limbs. It promptly opens clogged-up head, stops air passages in the head, stops nasty discharge or nose running, relieves sick headache, dizziness, feverishness, sore throat, sneezing, soreness and stiffness. Don't stay stuffed-up! Quit blowing and snuffling! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine. Don't accept something else just as good. Insist on getting "Pape's Cold Compound" if you want relief and stop your cold quickly. (A.T.V.)

**Banking Services**

# Eight More Were Taken Yesterday

But No Wonder! Nearly Everybody Buys the Minute the Instruments Are Seen At These Truly Outlandish Low Prices. Sale Must Finish By Friday, Which Means Tonight, Tomorrow And Then Only Two More Days.

Extra inducements if you will take one of two remaining very choice Bennetts, one of several remaining Behning player pianos, or a Cable-Nelson player piano, or a Chase & Baker or a very fancy mottled mahogany case Schulz player piano. A lot of less expensive styles to go for a mere song.

Also an actual bargain feast for five well-to-do homes who want these remaining fine Sohmer grands and uprights. Come and see them at once. Time is money with us now. Rest assured that you will not be disappointed, but do not delay, the assortment is dwindling.

As stated heretofore, the first step in the proposed consolidation must be completed by Friday, the 28th. And we'll do it, too. Bad weather interfered materially earlier in the month, but selling has been active surely of late. Extra inducements are offered in the way of terms if you will come at once and decide upon particularly one of the remaining costlier styles out of the Morrison street establishment now closed.

Each and every instrument is now offered at the exact factory cost, not including any advertising or sales expense whatsoever. Quite a number of instruments will be sold for even less.

A player piano is the thing to have. The finished musician uses it, and so does every other member of the family. We give free music rolls with each player piano sold.

Even the several baby grands may be had on payments as little as \$10 a month; others as stated are offered on payments of only \$5 a month, all of them new pianos.

SPECIAL OFFER—Any player piano bought in this sale will be accepted at the sale price paid, toward purchase of any of the latest Autopiano player pianos, or a Player Piano de luxe any time within two years after purchase. This actually gives two years free use and assurance of securing the very best and latest in case the latter is desired.

Payments so easy that no matter how little the income, every home can participate.

Each instrument in this sale is fully covered by our definite guarantee, a binding dependable guarantee that means something. Eilers Music House is not only the largest and most substantial institution in Oregon, but it is always alert and alive to the best interests of its patrons, and every purchase, great or small, must invariably prove satisfactory to the purchaser, or money back.

Almost everything can be had for less than half price, and we actually make terms to suit any reasonable buyer. A couple of dollars to show good faith secures any instrument in the sale. We want to do everything possible to have all out of the way quickly. Remember, that these are not cheap John pianos, made for special sale purposes, but the regular line of guaranteed instruments of an ambitious piano house.

It is easy for anyone to save up \$6 a month, and when for only \$188.00 we are now turning over as fine a piano as would ordinarily cost \$300.00, and in some places it would cost even \$325.00; and when we offer the less expensive styles

without having to pay profit this side the factories that made them. This is truly an unheard of proposition, a situation that will never occur again; no matter what happens, it is safe to say that modern, brand new guaranteed pianos can never be had again at such ridiculously low prices. And it is so easy to pay for them.

See this Hobart M. Cable, used but good, now \$135. Pay \$5 a Month. Don't fail to see or write us about these and other 88-note Player Pianos for \$225, \$214, etc., etc. All worth twice as much at any other time.

NOTE—Out-of-Town Readers—Any instrument in this sale will be shipped to any out-of-town buyer subject to examination and free trial. It will be shipped freight prepaid, with the distinct understanding that all money paid will be cheerfully refunded if every instrument, after delivery, does not prove in every way satisfactory.

Consolidation sale also on at Graves Music Co., 151-153 4th St. Also 285 Morrison.

Eilers Building, Broadway at Alder

**Studebaker**

See at our Salesroom the Car that DETROIT Likes Better than any other in the World

In Detroit, where people KNOW cars, more Studebakers are in use than any other cars listing at more than \$500. This is significant.

For the simple reason that Detroit is the Home of Automobiles. More than three-fourths of the cars manufactured in the United States are made in Detroit.

In Detroit a BIG percentage of the residents are either directly engaged in the motor industry—or come into DAILY contact with people who are.

They talk cars. They study cars. They hear gossip from all the great factories established in the city. They know the plants and the efficiency of the manufacturing organizations. They know the men back of the cars.

And as a whole, knowledge of automobiles is far more general and EXACT in Detroit than in any other city on the earth.

So when you know that for the entire year of 1915, registrations in Detroit showed MORE Studebakers in use than any other cars selling at more than \$500, it can mean but one thing: that to the people of Detroit, people who KNOW cars and who KNOW VALUE IN CARS, Studebaker offers the top value of the market!

And this fact is all the more significant when you know that Studebaker has only been selling cars in Detroit for about half as long as its nearest competitors have.

In half the time, Studebaker has outstripped them all, and today you go to Detroit, and you find more Studebakers on the streets than any other make of cars costing over \$500.

Be sure to see the new SERIES 17 Studebakers at the show—The Cars of the GOLDEN Chassis.
