

COMMISSION FORM OF GOVERNMENT IS A SCHOOL FEATURE

Principal, Teachers and Pupils Constitute the Citizens at Richmond School.

SET OF OFFICERS PICKED

Students Have Mayor in Person of Miller Jacob: Girl Pupils Take Part in Administration.

Richmond school has organized "Richmond School City." It is controlled by commission plan government. Principal, teachers and pupils constitute the citizens. Executive duties are vested in a mayor and four commissioners elected to their positions. The only other elective official is a city clerk. The administrative duties are divided into the following departments: order, justice, safety, physical exercises, sanitation.

The mayor must be in the eighth or ninth grade and commissioners or clerk not lower than the seventh grade.

The first election resulted in the choice of Miller Jacob as mayor; Madeline Bleasing, clerk; Ruth Levan, Gentry Phillips, James Leake and Charles Hackman, commissioners. A very impressive installation ceremony was held under the direction of Principal R. R. Steele, author of the school city idea as first applied at Stephens school, where he formerly was principal.
