"Freedom Versus Obedience" Dis-

Mrs. W. J. Hawkins was the speaker

at the Parents' Educational bureau

yesterday afternoon, her subject being,

Versus Obedience."

Hawkins said that mere obedience,

such as is practical in many homes

and army drills, is of no value in the

development of the individual, since it

is merely the carrying out of the com-

mands of an external will, and is of

value only in emergencies, such as

war, where people are required to act

n mass. The speaker urged the estab-

lishment of right relations, so that the

individual child may use its judgment

in the choice of such conduct as is best

suited for its own good and the good of

All possible potentialities are born

with the child and cannot be added to.
