## CHURCHES TO BEGIN AN EVERY MEMBER CAMPAIGN TOMORROW

Effort Will Be Made to Get Non-Attendants to Affiliate With Some Society.

Beginning tomorrow the "Every dember" campaign of the Portland protestant churches will begin. Lists of names of church members

rom the east who have joined no local church, non-church goers, children of Sunday school age and parents of Sunday school children have been prepared, and these people will be visited by church members. They will receive letters from members and pastors and a thorough follow-up policy will be adopted.

Easter Sunday has appealed to number of churches as a good time to place as the end of the campaign and efforts will be made to make the coming Easter a memorable one from the number of professions made In a thorough manner the churches have made the census of Portland quietly during the past few weeks There has been little overlapping of work on the census by the differing denomination members working. ## "BEHOLD I MAKE ALL THINGS NEW"

By Rev. John D. Nisewonder, D. D., Superintendent Portland District, Oregon Conference, United Brethren in Christ.

These are times of shaking. Our age is restless and iconoclastic. Yesterday's engine, automobile and flying machine are on tomorrow's scrap pile. The encyclopedia, book of science or medicine written a dozen years ago is of small value today. Old faiths, doctrines and, indeed, everything, is being revised, searched and tested. They are no longer herding cattle upon the great American plains with Texan ponies, but with automobiles. The new occasion, as never before, is teaching a new duty. The motto of this age is, "Behold, I make all things

new." Among small men it is easy to be great. By contrast or comparison anybody can be a giant in heroism and reform among the Hottentots. But we are living in a grand and awful time, in an age on ages telling," in an era of big things, big corporations, big deals, big cities, big conventions, when great men and big things do not stand out like Mount Hood above the foothills. The flying machine, the automobile, the lightning express and the telegraph testify that speed has quickened a hundred fold. Responsibility presses a hundred pounds to the square inch, where formerly it pressed one. The heart must beat faster for Christ today than ever before, the blood must bound quicker.
