## INTEREST IN PLANS FOR IRRIGATION IS SHOWN BY NEW BOND ISSUES

Paradise Project Includes the church Friday evening. Bids for Construction Work and Issue of Bonds.

TEEL PROJECT IMPORTANT

Spokane & Eastern Trust Co. Induced to Take Part in Pinancing the Wenatchee District Plan,

Increasing interest in irrigation projects on the part of developers and investment houses is in evidence in reports concerning three new bond issues. One concerns the Paradise irrigation project in Umatilla The second is connected county. The second is connected with the Teel irrigation district in the same county. The third is a part of the Wenatches reclamation district. In the case of the Paradise project bids are being received both for construction work and a bond issue. The proposed bond issue is for \$2,705,510. maturing in series, and bearing 6 per cent interest. Bids on the entire issue are being received by J. C. Hoskins, president, and Frank Sloan, secretary, at Echo. For the con-struction work the proposals are being made in units. The particulars of the work may be had by corresponding with the same officials. O. D. Teel, president, and Dr. Frank Spinning, secretary, are ceiving bids on an issue of \$1,100,000

relopment of the Teel irrigation project, also in the same county. The Spokane and Eastern company has been Induced to take a part in financing and taking out of the hands of the receiver the natchee reclamation district undertaking. They have just purchased an issue of \$160,000 bonds, lifted the receivership, and construction work has begun, so that water can be turned n in the project April 1. The bonds were bought at 95 and interest.
