FRATERNAL NOTES
Eagle Creek Woodmen Will Celebrate April Fool's Day.

Dance April Fool's Celebration.—The first of April has long been celebrated as All Fool's day, but it remains for the Woodmen of the World of Eagle Creek to celebrate it with a dance. Next Saturday night was selected for a fraternal ball. The car on the Astoria line will return to Portland at 12:54 and dancing will continue from 9 p. m. A delegation of Portland fraternalists from the different W. O. W. camps of the city will be present.

Hasallio Delegates Elected.—Hasallio lodge, I. O. O. F., has elected the following delegates to the grand lodge to meet in Roseburg on May 10: A. H. Johnson, J. P. Coxon, R. Tunk, Charles Christiansen, G. W. Ealdwin, W. C. Laurens, L. Quimby, Theodore Anderson.

Visited Astoria K. T.—L. G. Clarke, grand commander of the Oregon Knights Templars, and James F. Robinson, grand recorder, returned yesterday from a visit to the K. T. of Astoria, where they were received by a large number of brother Knights in due session.

Invited to Oregon City.—Rose City camp, M. W. A., has accepted the invitation of Oregon City camp to help them adopt 18 candidates on the night of April 15.

Junior Moose Frolic.—The Junior Moose last Tuesday night had a frolic, initiation and substantial refreshments. The boys received two new members and four more applications were made.

toria encampment tonight. Next Saturday night he will visit the brothers of Newport.

Arieta Social Tonight.—Arieta Social of the World will hold a social tonight. Invitation is extended to all friends and neighbors.

Fram Initiates Fifteen.—Fram assembly, United Artisans, initiated a class of 15 last Tuesday night at the Selling-Hirsch hall, and the campaign committee thinks it can do better next time.

Marblehead Considered Certain.—The Mexican difficulties are not considered sufficient by officers of the Oregon Naval Militia to cause U. S. naval authorities to cancel the order for a training ship in place of the Boston. The Marblehead is being thoroughly overhauled in the government docks at Mare Island, and when sent to Portland will be in shape for a sea cruise at any time. According to the last information received the ship will anchor in the harbor on May 5.

Lose Their Nerve.—Company commanders who have worked hard with their non-commissioned officers and men frequently find it difficult to keep them from going to pieces when drilled by a U. S. army officer. The orders may be the same, and given in much the same manner, but the rank and file are apt to bungle and stumble like new recruits. Several of the O. N. G. officers know how it is. Regular army officers have the same trouble at times when important drills are called in the presence of still more important personages.

Orchestra After Drill.—On Tuesday night last the Oregon Naval Militia had an orchestral musical program after their regular drill. The annual inspection will be held on the night of April 18, and preparations indicate that creditable showing will be made.

Lieutenant Lungren Commands.—During the absence of Captain Frank W. Wright at the aviation school in San Diego, the command of Eighth company, C. A. C., will fall to First Lieutenant Louis Lungren. Second Lieutenant Verna Wallon will be incapacitated from injuries received from an explosion of the ammonia tank last Monday at the Portland Cheese factory.

UNTIDY BUREAU DRAWERS. Much is gained if, instead of making linings or pads for the bureau drawers, the drawers themselves are made dainty and ready for the receptacles of articles.

First give the inside as many coats of white paint as is necessary to give a clear, white tone, and then a coat of white enamel. This gives a perfectly smooth surface, which is fresher than any other lining could be. The drawers look neat and attractive, and when cleaning is desired a simple wiping with a damp cloth produces perfect cleanliness. The same idea could be carried out with all shelves, cupboards and drawers in the house, whether for linen, china or kitchen utensils. They are more easily cared for than when arranged with other covers. This process makes a good substitute for the highly recommended glass shelves.

CHEESE PUDDING. 1 cupful 1/2 pound grated cheese, 1 teaspoonful melted crisco, 1 teaspoonful salt, 1 cupful milk, 3 eggs, 1/2 cupful breadcrumbs, cheese, crisco, salt and milk. Add eggs beaten until light. Pour in buttered baking dish and bake 20 minutes in a moderate oven.

A HANDSOME SPREAD. Every woman likes to own a handsome spread, but the majority of them call for such expensive materials that few women can afford to indulge in the luxury. However, here is a spread which is within almost every woman's reach. It can be duplicated for about 45. The spread is made of unbleached muslin. All over its surface conventional scrolls are outlined by means of huge French

if rolled in a wet cloth and hung in a cool place. Outside leaves may be shredded. When the whites of eggs are used and the yolks left, be sure to cover them with milk, oil or water. If they are to be used for mayonnaise, cover with olive oil.

Tomorrow's Meetings. 11:30 a. m.—PENNY LUNCHEON in parlors of First M. E. church, by Ladies' Aid society. Home cooking. 12:30 p. m.—MONTHLY LUNCHEON of F. R. O. Sisterhood, in S. W. Workman & King's tearoom. All P. E. O. sisters are invited.

2:30 p. m.—LECTURE AT PARENTS' EDUCATIONAL BUREAU, 320 County Court House. Speaker, Miss Emma Grittinger; subject, "PHYSICAL DEVELOPMENT OF THE CHILD FROM THE NURSE'S STANDPOINT." 6:30 p. m.—BANQUET AT COMMERCIAL CLUB BY COUNCIL OF PARENT-TEACHER ASSOCIATIONS. Music and toasts. 8:00 p. m.—"JITNEY SOCIAL," by Bears of White Temple. Sale of home cooking and candies.

THE TOADSTOOL WOMAN. Beware of marrying a toadstool woman, a woman that sits and sits and spends all thy substance on jewels and perfumes and rich stuffs.—Mohammed.

Civil War Veteran Suicides at Eugene
George J. Winchell, Aged 72, Ours Throat With Razor Purchased for That Purpose; Reason is Unknown.

Eugene, Or., March 30.—George J. Winchell, aged 72, a veteran of the Civil war, committed suicide at his home in Eugene Wednesday afternoon by slaying his throat with a razor. He left the house between 1 and 2 o'clock to take his accustomed walk. His wife missed him after two or three hours and his dead body finally was located in a wood shed at the rear of his residence. He had never used a razor, evidently buying one, for the express purpose

of ending his own life. Mrs. Winchell says there is no known cause for his act. Winchell was a member of Company B, Eighty-fifth Illinois Infantry in the Civil war. He came to Eugene six years ago from California. He owned a farm at Hamburg, Iowa. He leaves one son, John Winchell, residing in Eugene.

Johnson was lured to the stage under a guise of a curtain call, to accept an immense birthday cake, the gift of brother Elks. Frank Hennessy made the presentation and then left the manager, who is by far more accustomed to making his appearances on the stage behind the curtain than before it, to express his thanks. To the manifest glee of the audience, Mr. Johnson almost had an attack of what hunters call "buck fever," but he finally managed to separate himself from a new will chosen words of appreciation.

Next he was felicitated by a whole herd of Elks. The party broke up after the Elks' band, under direction of Sig Tiano, had serenaded the guest of honor.

GRANDMA USED SAGE TEA TO DARKEN HAIR
She made up a mixture of Sage Tea and Sulphur to bring back color, gloss, thickness.

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautiful and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Weyth's Sage and Sulphur Compound," thus avoiding a lot of fuss. While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Weyth's Sage and Sulphur, no one can tell, because it does so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

Ladies, the Prosperity of This State Is Strictly Up to You!

Impress that statement on your minds! Think it over! Then, ask yourselves this question:

"What's the use of the men of this city and region struggling to bring about an era of prosperity—if we keep on buying goods manufactured two thousand or ten thousand miles away from here?"

You see, Ladies, you buy 90 per cent of all the merchandise that is being bought throughout the Pacific coast states today.

By concentrating your purchases, as far as possible, on home made goods you can bring on an era of Prosperity such as this coast has never known before. Begin to play your part today by buying Pacific Coast Biscuits—Swastika Brand—and look for our famous trademark—the seal of Prosperity, on both ends of the carton.

But—we do not ask you to buy Swastika Biscuits merely because they are made right here. We ask you to buy them because they are the best biscuits, and two-thirds of all the Good Housekeepers in this city and throughout this state know it.

These three things utterly determine the goodness of biscuits:

- 1st—The ingredients used.
- 2d—The skill of Master Bakers.
- 3d—Facilities and conditions under which they are made.

"Swastikas! Pacific Coast Biscuits! Certainly, Mr. Grocer! They are the best biscuits. Besides, they are made right here in the city."
