

### WORK OF SENDING OUT PAMPHLETS OF G. O. P. CANDIDATES STARTED

List Will Be Mailed to All Registered Voters of Oregon by Secretary of State.

### REQUIRES MUCH TIME

Complete Lists Will Be Mailed Out Within Ten Days Is Believed—Some May Be Delayed.

Salem, Or., April 21.—The mailing of the Republican candidates' pamphlets to the registered voters of Oregon was commenced Thursday by Secretary of State Olcott. As the voters' names are secured from weekly lists furnished by the county clerks under the law and registration books closed in the counties April 18, it will require some days for the clerks to collect the final registrations from the precinct registers and prepare and forward lists to the secretary's office and the mailing of the pamphlets cannot be completed for 10 days or two weeks.

Should any of the registration lists be delayed for any reason, Secretary of State Olcott says he will continue to mail the pamphlets up to such time before election as will allow for the delivery of the same to the voter by ordinary mail. The pamphlets contain only the names of candidates for election or nomination at the primary election, and who have submitted statements and portraits for publication and paid the prescribed charges, ranging from \$10 to \$100.

As the mailing of the pamphlets was commenced earlier this year than at any time heretofore, and as the registrations now close 30 days before the election, instead of 15, as before, under ordinary conditions the publication should be in the hands of the registered voters in ample time before election.

Seattle, April 21.—(U. P.)—After a whirlwind courtship followed by the young woman's proposal of marriage and a hurried wedding in this city last month, the denouement in the leap year affair of J. H. Jahn, wealthy dealer in real estate, insurance and rentals, came Thursday when he applied for a divorce.

Jahn, a bridegroom of 25 days, has learned, he says, that he was sought for his kind and loving nature, not at all, but for his riches.

### O. L. C. After Hayward.

University of Oregon, Eugene, Or., April 21.—University students are aroused today over the appearance of an "authentic" letter in the Emerald from a student with "inside dope" stating that unless something is done hurriedly, Trainer "Bill" Hayward would not be with Oregon long. The letter substantiates a rumor that Oregon Agricultural college was seeking the services of the head of athletics at Oregon.

According to the statement, O. L. C. has made Hayward an offer of \$2780 per year as compared with the \$2000 salary that he is receiving at Oregon. Although non-committal on the matter, Hayward smiled at the question when it was thrust at him at last night's pep-fest and refused to talk of the matter.

A movement has been started at Oregon to retain the services of Hayward, who has been the head of all sports at Oregon for the past 13 years.

### BASKETBALL GAMES

Manager Cliff Blankenship of the Salt Lake club may not get outfielder Beall for quite a spell. He has made all arrangements for the transfer of Beall from Cincinnati to Portland, but Garry Hermann has yet to obtain waivers on Beall. In the meantime Cincinnati is using him and yesterday he got three hits in four times up, including a home run. He caught five flies and it looks bad for Blankenship getting him immediately.

Russ Hall, manager of the Tacoma club, sat in a box seat with Judge McCredie yesterday at the park. Russ, who used to be a springy fellow, is running a close race in the amateur league and if the truth were known, may be beating Dug out. He says the two Bigbee boys and Al Bartholomeo are showing up nicely.

President Analgesique Tango Baum of the Pacific Coast league, who has been here attending the opening of the season, departed last night for San Francisco, where he was called by important business.

Paskert's two-bagger, followed by Gavy Cravath's solid single, let Philadelphia beat the Giants in the opening game at New York. It happened in the twelfth.

Detroit took a tight one from the White Sox when Harry Hellmann's club smote one of Wolfgang's hooks on the brow in the ninth for two bags and sent Veach home.

The first arrest occurred in Portland, because of the lack of a license. This cost \$4.00. They bought a license, but were arrested again in Salem because it was believed they had stolen the license. ## An Imported Cigar (Porto Rican for 5 cts. La TUNITA (Princess Size)

This price for an Imported cigar was not possible until the stars and stripes were raised over Porto Rico in 1898. La TUNITA comes in FREE OF DUTY—weekly shipments directly to us to keep them fresh.

Porto Rico is as much a part of the West Indies as Cuba, and the tobacco grown there was the only tobacco ever brought to Havana from elsewhere in the old Spanish days.

Its quality is as fine, but admittedly it is milder, being grown on the mountain slopes, where the tropical heat is tempered by cooling winds.

Spanish natives, whose art is a family inheritance, make La TUNITA. Havana does not surpass these wonderful workmen.

When you get an Imported (Porto Rico) cigar for 5 cents, (Box of 50, \$2.50) as you get it in La TUNITA, you are on ground occupied alone by UNITED CIGAR STORES. It's a ten years' test of one of our strongest claims.
