bate was turned his way in the senate. Senator Harding of Ohio, who is to keynote the Republican convention, Hollis bill in severe terms. Senator Hollis, who is one of the readlest debaters in the senate, lost little time in

making reply. Understood Ingalls Was Author. He said he was very familiar with the Herrick broadside, but had no idea that Herrick actually wrote it. Asked by Senator McCumber if Herrick is not be started throughout the state to the author of a book on the subject, son of the late Senator Ingails of Kansas, as authors, and his understanding its latest data, is that Ingalls wrote most, if not all

Hollis proceeded to show that Herrick's objection to the proposed law is Rev. E. I. Harrington, pastor, will that it contains a feature of governtake part in the afternoon program. ment aid in establishing the rural cred-East Side Luncheon Tomorrow .- The it banks. In Herrick's view, this is heresy. Herrick, added the New Hampshire senator, is president of the Society of Savings of Cleveland, Ohio, the largest savings bank of the world.

Harding Defends Herrick.

Harding again came to the defense of Herrick, saying that this savings bank is a mutual organization. Hollis said he knew that fully, but he assumed that Herrick is interested in having prosper the financial institution that he heads.

Hollis went on to point out that toward the Hibernian hall fund. The while Herrick and other stand-patters fair proper opens with a dinner to be are fighting the Hollis bill because it extends some measure of government assistance, it is also being fought by extremists on the other side, who say the amount of government aid is in-Ingham, 1181 Harold avenue, when a 'significant, and denounce it because the number of candidates will speak. The plan provides for entire withdrawal of meeting is for the benefit of the resi- government funds as soon as certain dents of Woodstock, and all residents conditions are fulfilled, which Hollis believes will be in two or three years.

Three Classes of Loans. Replying further to Herrick's criticism, he said that the three classes of Morrison streets. Newton C. Smith loans provided through unlimited liability organizations, those of limited liability and through joint stock banks, are planned to meet varying conditions fessor H. B. Torrey will lecture on in different sections of the union. In 'The.
