HARSTAD LOSES GAME FOR BEAVERS; PITCHES ONLY THIRD OF INNING

Yanked to Bench When Angel Fusillade of Hits Shows No Signs of Abating.

EIGHTH HOMER BY GUISTO

Beaver First Sacker Makes Another Circuit Clout, Bringing His Total Up to a Double Quartet.

By R. A. Cronin.

Oscar Theander Harstad pitched one-third of an inning yesterday and when the Angel fusillade of base hits showed no sign of abatement, Oscar Theander felt the figurative hook about his slender throat, with the score 4 to 3 against the Beavers.

When Jawn Lush, elderly southpaw, retired at the end of the seventh the home guard was leading, 3 to 2, thanks to a terrific homer into the left field bleachers from the hickory of Signor Luigi Guisto. Higginbotham finished up the work of his stablemates in the proverbial blaze of glory, and if Manager Mac had pointed his bony finger at Higgy instead of Hardy, the first appearance here this season of the Angels might have taken on a different hue.

Hogg Pitches Brainy Baseball.

Bradley Hogg, hero of the 4 to 3 victory, pitched a brainy brand of baseball and his hard hitting mates busted the bulb when hits meant runs. The battle was full of sensations and some sparkling fielding was injected by both sides.

Lush, who started but once before this season and was chased by the umpire, also pitched a brainy brand of baseball until he figured that his arm was getting tired and he had better quit. Once he was saved by a beautiful double play from Southworth to Fisher, but a bit of hard luck overtook him in the seventh, when the Angels made their first brace of tallies.

Portland Off in the Lead.

Portland got away to a two run lead when Vaughn walked with one out in the first, took second on Nixon's out and third on Southworth's scratch through the box. The two little fellows pulled off a double steal and Bobby scored, Southy going to third when Fisher's relay was bad. He scored a moment later on a wild pitch.

With one out in the seventh, McLarry walked. Ward was set to take Bobby Fisher's grounder, but Stumpf thought he had a chance to do some quick work, and edged over on the grounder. It struck him and was deflected. Ward overhauled the ball and tried a throw to first, but even the famous St. Mary's high jumper at that bag could get nowhere near it, and the runners moved along. Ward could not quite get over to Walter Boles' whack, and two scores were in. Hogg fanned and Kane singled to center, but Ellis was an infield out.

The Seraphic flourish of the seventh tied up the count, and there were great yelps of joy from Mr. Chance, who became a much chastened individual a moment later, when Guisto, first up, rouged one of Hogg's fast ones into the left field bleachers.

Wolter was the first to face Harstad in the eighth and Harry poked one through short. Bill Koerner smashed the ball up against the center field fence, his second double of the matinee, and this set the stage nicely for Galloway, member-at-large from Inneskillen. Gal busted the ball to center and Wolter and Koerner galloped home. Galloway was a cut off at second, Wille to Hardy to Vaughn.

This brought Higginbotham to the knoll and Higgy quickly knocked the supports from the golden stairway, but not before Franklin Leroy had had his chance to make a lot of noise.

Guisto showed the Angels a flash of his footwork when he beat out a grounder to Fisher in the ninth, but neither Fisher nor Stumpf could connect with Bradley's blustery ball and the Beavers "digged" themselves further into the cellar.

The score.

California Crew May Not Come North

Seattle, Wash., May 3.—(P. N. S.)—The athletic board of control of the University of Washington will meet tomorrow night to determine whether or not the University of California crew shall be brought to Seattle for a dual race on Lake Washington. Because of the defeat of California by Stanford after Washington had beaten the Cardinal eight, the race with California may be canceled.

After a three weeks' layoff, the Washington crew resumed practice yesterday in preparation for its race against eastern crews. In the event that no eastern crews can be persuaded to enter a regatta here, the Washington crew will go to Poughkeepsie for the big race on the Hudson.

Vernon Fails to Arrive.

We tell you, *any* man can smoke Prince Albert with the utmost enjoyment; smoke pipe-full after pipe-full or the makin's until the gong sounds, without a kick back or a complaint! Yes, sir; he'll just please himself to pieces with P. A.'s cool fragrance and absence of bite and parch!

Prince Albert is made by a patented process that cuts out bite and parch! Prince Albert has always been sold without premiums or coupons. We prefer to give smokers quality.

PRINCE ALBERT

the national joy smoke

Copyright 1916 by R. J. Reynolds Tobacco Co.

So it's up to every red-blooded man to jump the boundary line between himself and smoke happiness and *know* just what all this jimmy-pipe-joy-talk and makin's talk is about!

Men *all over the world* are today smoking Prince Albert because it meets their taste; because it gives them *real* tobacco enjoyment they have never found before! Don't you realize that if Prince Albert, in a few years, has made *three* men smoke pipes where *one* was smoked before and started men everywhere rolling their own cigarettes, that it certainly has the call on you—at least for a try-out!

Why, that's only being fair to yourself!

Buy Prince Albert everywhere tobacco is sold. Toppy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and—in that fine crystal-glass pound humidor with sponge-moistener top that keeps the tobacco in such splendid condition—always!

On the reverse side of this tidy red tin you will read: "Process Patented July 30th, 1907."
