Doctor Says Nuxated Iron Will Increase Strength of Delicate People 200% in Ten Days

blood and nerve starvation, people become generally weakened, nervous and all run down and frequently develop all sorts of conditions, und is too thin; another is burdened with unhealthy fat; some are so weak they can hardly walk; some think they have dyspepsia, to the start of the start of

In many instances—Persons have suffered untold agony for years doctoring for nervous weakness, stomach, liver or kidney disease or some other allment when their real trouble was lack of iron in the blood.—How to tell.

New York, N. Y.—In a recent discourse Dr.

E. Sauer, a well known specialist who has studied widely in both this country and Europe, said: If you were to make an actual blood test divall people who are ill you would probably be greatly astonished at the exceedingly large number who lack fron, and who are ill for no other mason than the lack of iron. The moment from is supplied all their multitude of dangersus symptoms disappear. Without irou the blood at once loses the power to change food into living tissue and therefore nothing you eat does you any good; you don't get the strength out of it. Your food merely passes through your system like eorn through a mill with the rollers so wide spart that the mill can't grind. As a result of this continuous bood and nerve starvation, people become such frequently develop all sorts of conditions, and frequently develop all sorts of conditions, and frequently develop all sorts of conditions, and frequently develop all sorts of conditions.

NOTE-The manufacturers of Nuzated Iron have such unbounded confidence in its potency that they suthorize the announcement that they will forfelt \$100.00 to any Charitable Insaik; some think they have dyspepsia, as or liver trouble; some can't sleep at it, others are sleepy and tired all day; to others are sleepy and tired all day; a fussy and irritable; some skinny and dless, but all tack physical power and entince.
