Just Missed Death On Saws in Big Mill

Oregon City, Or., May 5.—Archie Baker, Or., May 6.—W. P. slettub-McCord, who is well known in Oregon bins, road supervisor of district No. 17 City, had a miraculous escape from of Baker county, comprising the disployed at the ball sawmill at Molalia. The young man was doing some repair work on a lower saw, and was told to pointed J. C. Wooley as supervisor in go ahead with the work by another erploye who stood close by, when the engineer, thinking that it was an order for him to go ahead with the saws, Luckily for McCord, started them. there was but a single belt on the after. McCubbins had been supervisor lower saw, and when his body came m, contact with the upper saw, althe first of the year. lowed the latter to spread, thus saving McCord from a horrible death.

His body was lacerated by the teeth of the lower saw coming in contact with those of the upper. The ma-chinery was running slowly at the time, and the employes of the mill rushed to the man's assistance. Dr. dressed the wounds.
