Waverley Golfers Like Rain and Wind Better than Spokane

First Half of Home-and-Home
Matches Won by Score of
35 to 7.

NINE WIN THREE POINTS

Not An Inland Empire Player Scores
Three Points; Russell Smith Beats
Tartar in "Bob" Ingersoll.

Playing under miserable weather conditions, which made good golf practically impossible because of the wind and the rain drenched putting greens, the Waverley Country club golf team triumphed over the representatives of the Spokane Country club yesterday on the links of the Waverley Country club in the first half of home-and-home matches for the beautiful trophy offered by J. D. Farrell. In the language of the newsboy it was an awful walloping. When P. H. Graves of the visitors checked in with his 2-point net it brought the Spokane team's total to 7, while the local players ran up a total of 25 points.

Not a single Spokane player was able to win three points on the 36-hole match, while nine Waverley golfers, M. H. Hartwell, N. E. Ayer, Wirt Minor, J. G. Wilson, A. T. Huggins, W. A. Pettigrove, D. T. Honeyman, J. D. Hart and Graham Glass Sr., each registered three points net.

The most sensational match of the day was the one between Russell Smith of the Waverley Country club and J. B. (Bob) Ingersoll of the Spokane Country club. The entire match was halved as was each of the nine holes. Both players had a chance to win the match on the 18th hole in the afternoon round, but neither was able to put over a good shot when it was needed, although Smith made a great brass shot from the hill on the 18th fairway after shooting out-of-bounds. Ingersoll registered the best single hole score of the day, by holing out in two on the sixteenth in the morning round. He made a remarkable drive and sank an extra long putt. Ingersoll's card for the morning read 83 and for the afternoon play 81. Although Smith picked up on the eighth hole of the morning round, his total score was about par with Ingersoll's.

Captain Davis of the Waverley team and C. M. Graves were square on the morning round, but in the afternoon the local man forged to the front and annexed two points.

M. H. Hartwell had no difficulty in winning all the points from F. T. McCollough of the visiting team, who was badly off his game. The Spokane player was hooking, slicing, pulling and doing almost everything that he should not have done. Ned Ayer annexed three points over Charles Alberts and Wirt Minor defeated A. M. Winston by the same margin.

Yesterday's victory marks the third consecutive victory of the Waverley Country club players over the Spokane team. Last year the local golfers won both matches. Captain Davis has not yet arranged the date of the second half of the match to be played on the Spokane course. It will likely be played in the fall.

Four-Ball Match Today.

Following the match, dinner was served in the buffet.

Today the Spokane players will participate in four-ball matches with the local golfers.

The results of the individual matches:

Trambitas Brothers Are Coming Fans Like to See Them in Ring

Alec Trambitas (on the left) and Valley Trambitas, who are looked upon as future champions, Valley, who boxes in the middle-weight class, will pass his 18th milestone this summer. Alec, who boxes in the 112-pound class, is not quite 15 years old.

The name Trambitas in the Roumanian language means "trumpeter," and there is a history attached to the family name, which goes back a great number of years.

Valley took up boxing in 1913, his first bout being against Dave Schneiderman in the old Neighborhood House. He has boxed and beaten the following boys: Kelt, Witte, Wagner, Schmeier, Flanagan and Wheelers. He has boxed two draws with Al Sommers. His two defeats were at the hands of Otto Berg and Billy Murray.

Both boys are clean fighters. They train faithfully for all their bouts and when they enter the squared circle they are in the best of shape. If all boys trained as hard as these there would be little stalling in the ring, but on the contrary, good, clean, exhibitions.

On account of the local boxing law, Alec will not be able to appear until May 7, 1917, as he is not yet 15 years old.

The Trambitas boys were born in Bucharest, the capital of Roumania, and came direct to Portland 10 years ago. Valley will be 18 years old June 7 and Alec will celebrate his fifteenth anniversary May 14.

Famous Old Cy Held on for 22 Years With .620 Average for Period.

Cy Young's sterling pitching record may endure for all time. Only one pitcher in the game today—Christy Mathewson—had a chance to eclipse it. But the sun seems to be setting on Matty's major league pitching life—and wonderful as is his work, it can not compare with that of the old "war horse."

Young survived the terrific pace of 22 campaigns. He quit the game along in 1910 or 1911 and retired to his farm after having taken part in 819 combats. Of these he won 508, giving him a grand pitching average around .620 for the entire period.

At the end of the 1915 season, Mathewson's record showed that over a stretch of 16 years under the big canvases, he had worked in 614 games—205 less than Young figured in. To equal Young's record in games pitched, Mathewson must remain in the majors at least six years longer—a seeming impossibility.

Mathewson has won 368 and lost 185 of his games. The others did not figure in his won or lost columns. Matty's grand average to date is .665. Even should he by some miracle remain in the major league spotlight until he has pitched more games than Young, it is beyond the range of probability that he can win 60 percent of the remaining games. And that is just about what the winning arm must accomplish to beat out the record of Young.

When one compares Young's record with that of Mathewson and the other great pitchers of today, there comes the full knowledge of what an amazing twirler was "Old Cy"—a hurler whose like may never again illuminate and glorify the baseball world.
