## **Nervous Periodical** Headaches

This trouble commonly called "sick headache, is said to be due to the reten-tion of urea in the system. Often it is stated that a poor condition of the blood is a cause of these headaches, or that it is a nervous condition; and in certain cases, no doubt this is true. Where treatment is demanded, it is

more for the pain than anything else, and Dr. A. F. Schellschmidt of Louisville, has found anti-kamnia tablets to ville, has found anti-kammia tablets to give prompt and satisfactory relief. "Rest should be insisted upon," he says, "and the patient should go to bed, darken the room, and all the attendants and family should be as quiet as possible. An emetic will sometimes shorten the An emetic will sometimes shorten the attack. The bowels should be keptopen with "Actoids"; a hot bath and a thor-ough rub-down with a coarse towel, often give grateful relief. Two anti-kamnia tablets when the first signs appear, will usually prevent the attack. During an attack, one tablet every hour or two will shorten the attack and re-lieve the usual nausea and vomiting." These tablets may be obtained at all druggists. Ask for A-K Tablets. They are also unexcelled for nervous head-aches, neuralgia and all pains.

### **FACTS**

Railroads have and are constructed and operated from the standpoint of paying interest and dividends, which has forced an economic management; whereas highways, because of our failure to appreciate their economic importance have been neglected. It is only been neglected. It is only recently that a change in sentiment has come over the people regarding the extreme importance of this form of development. With other advanced methods of construction has come the class in every way must be hard surfaced with
