It is generally understood in the neighborhood, however, that Mr. Warren has actually made arrangements to purchase a most sightly tract, which gives him a magnificent view of both river and mountains, and that he is having plans drawn for a house that will be in keeping with the character of the neighborhood and one that will be built to take advantage of every opportunity that the landscape and general surroundings of the property af

It is also reported that Dr. Otis B. Wight, who purchased a tract in Dunthorp last fall, will build this spring. The residents of the neighborhood are also discussing a project for the erection of a new school building to accommodate the growing population of the neighborhood.
