Here's What Users of Thompson's Glasses Say--Read Their Letters

Prominent Attorney, Candidate for Circuit Judge, Says:

Davis & Farrell ATTORNEYS LUMBERMENS BLDG.

Portland, Or., April 25, 1916. Thompson Optical Institute, Corbett Building. Portland, Oregon,

Gentlemen: -- I have received a great deal of satisfaction from your Kryptok glasses. The use of these glasses obviates the necessity of my wearing, as heretofore, two pairs of glasses while in court, where in the trial of cases it often becomes necessary for me to read and peruse law books, letters and other documents.

I therefore take great pleasure in recommending your Kryptok glasses to anyone requiring different glasses for street use and for reading purposes.

Yours very sincerely.
