FATHER OF DEAD GIRL DOESN'T WANT ORPET CONDEMNED TO HANG

"There Is No Use Taking Two Lives for One," He Tells Interviewer.

Waukegan, Ill., May 16.—(I. N. S.)—"We do not care to see Billy Orpet condemned to death."

So declared Frank Lambert, father of Marian Frances Lambert, to an International News Service correspondent, here today. Orpet is on trial here for the murder of Marian Lambert, one of his sweethearts.

"There is no use," said Lambert, "of taking two lives for one. Billy's death won't bring back my girl. Prison confinement, according to my way of thinking, is a thousand times worse than hanging. I do not even think we want Billy sentenced for life. But I wish the boy would own up to the whole thing. If he is guilty, I want him to suffer some of the things that Marian's mother and I have suffered."

Lambert and Orpet's father are lifelong friends.

THREE STAR SETS UPON ROSE CITY'S CARD TOMORROW

Lee Johnson, Colored Wonder, Will Meet Joe Benjamin for Title.

Three classy bouts, besides a battle royal and a curtain raiser, will be staged by the Golden West Athletic league, in its first boxing smoker tomorrow night in the Rose City Athletic club. Lee Johnson, considered to be the greatest colored featherweight on the Pacific coast, will box Joe Benjamin for the 122 pound championship. Johnson is ready to step into the ring in the best of shape. Since his arrival here he has been working out under Denver Ed Martin.

Abie Gordon will be pitted against Jimmy Lewis of Tacoma, who is said to be a whirlwind. If Lewis is as good as advance reports indicate, Abie will be forced to extend himself in order to get a decision. Abie has been working out with Lee Johnson, and has picked up a good many new pointers on the game.

"Ted" Meredith, who boxed a draw with Roscoe Taylor some time ago, will box Danny O'Brien. This bout should be a good one, as Danny is in pretty good shape, as the result of working out with Joe Benjamin.

The curtain raiser will be between Frank Parslow and Romeo Hagen. Five colored gents will appear in the battle royal. They have been training for the event by doing road work at the Rose City speedway.

Cannonball Baker arrived in New York yesterday (May 15), reducing the world's transcontinental record from 11 days 7 hours and 15 minutes to 7 days 11 hours and 53 minutes, in a Cadillac car equipped with United States "Nobby" Tread Tires.

Baker says, "No other tires would have stood the test."

The superb showing made in this drastic, racking, real road tire test, proves the wisdom of the Cadillac Company in regularly equipping their cars with United States "Nobby" Tread Tires.

The bulldog grip of the knobs on "Nobby" Tread Tires and the quantity of rubber on the tread are what gives these "aristocrats of the road" their continued supremacy.

Germany Can Not Use America to Coerce England

The receipt of the German reply to President Wilson's demand that Germany "immediately declare and effect an abandonment of its present methods of submarine warfare against passenger and freight carrying vessels" has aroused a storm of diverse opinion in this country. Many interpretations are given by newspaper editors.

In THE LITERARY DIGEST for May 13, 1916, there is a complete presentation of American newpsaper opinion of every shade upon this very important document, and it ranges all the way from the New York Herald's statements that the answer is "insulting" and "dishonest," and "its attempted cleverness is mere chicanery" to the opinion of the New York Evening Mail, which hails the reply as "a great victory for President Wilson," and asserts that the answer means that "every merchantman that sails the seas is now as safe as if the submarine had never been invented."

Scores of representative papers, however, repudiate the idea that Germany should bargain with the American Government over the destruction of American lives.
