

### ROOSEVELT TO HELP THROW OREGON INTO THE CUMMINS' LIST

Campaign Leaders Advising  
Followers to Vote for Iowan  
in Primaries Friday.

### CIRCULARS BEING MAILED

Dr. Henry Waldo Coe, National Com-  
mitteeman of Progressive Party,  
Explains Policy in Campaign.

Theodore Roosevelt has joined  
hands with Senator Albert B. Cum-  
mins to throw Oregon into the Cum-  
mins column at the Primaries Friday.  
Dr. Henry Waldo Coe, national com-  
mitteeman of the Progressive party,  
has notified L. Burnett Davis of Cor-  
vallis, in response to a request for  
information, that the proper thing to  
do under the circumstances is to vote  
for Cummins rather than to attempt  
to write in the name of Roosevelt on  
the Republican ballot.

**Suggestions Sent Out.**  
Thomas B. Neuhausen, state chair-  
man of the Progressive party, is busy  
sending a suggestion to every person  
in Oregon who followed the Roosevelt  
banner to vote for Cummins on Fri-  
day.

George C. Howard, manager of the  
Cummins headquarters in Portland,  
will complete this afternoon the mail-  
ing of a circular letter to each of the  
160,000 registered Republican voters  
of the state, urging them to get in  
behind the Cummins campaign and  
vote for Cummins on Friday. As a  
result it is expected that Cummins  
will walk away with the preferential  
vote at the primaries.

It is safe to say that Coe and Neu-  
hausen and the other Progressive lead-  
ers of the state would not have joined  
forces with the Cummins managers un-  
less they knew that their vigorous  
speaking campaign in the east would  
be in harmony with their move. In  
other words, they would not, acting  
independently, do anything that would  
tend to balk the game in Chicago.

### See Western Man's Chance.

The letter being sent out by How-  
ard calls attention to the fact that "for  
the first time in the history of the Re-  
publican party there is a real chance  
to nominate and elect a western man,"  
and that "it is needless to call atten-  
tion to the necessity for the western  
states to unite in order to get the rec-  
ognition to which they are entitled."  
The letter also says that the entire  
west has always been under the domi-  
nation of the east, and that it seems  
needless to urge the golden opportu-  
nity presented for the Republicans of  
Oregon to play so important a part in  
helping to nominate a man who will  
not only unite the west, but also the  
Republican party, and insure success  
in November.  
Inclosed in the letter is a copy of  
Dr. Coe's telegram to Burnett Davis of  
Corvallis, which sets out that Roose-  
velt does not desire his name written  
in on the ballot; that Hughes filed  
written objections to having his name  
placed on the ballot; that the choice

has therefore been narrowed to Burton  
and Cummins, and that Cummins is the  
man to whose support the Progressives  
could most logically go.  
**Contest Narrowed Down.**  
"I have taken the position all the  
time," said Mr. Howard, "that Justice  
Hughes is entitled to be believed when  
he says he is not a candidate. This  
narrowing of the contest to Burton and  
Cummins. The Roosevelt men real-  
ize that to try to write Roose-  
velt's name in on the ballot  
in the face of the organized cam-  
paign conducted by Burton and Cum-  
mins would yield disappointing results.  
The logical thing to do under the cir-  
cumstances then is for the Roosevelt  
men to go to Cummins, as he stands  
for those principles for which Roose-  
velt stands."

### A. G. Thompson Indorsed.

Ben Hur court, No. 3, Tribe of Ben  
Hur, at a recent meeting indorsed A.  
G. Thompson for the Republican nom-  
ination as circuit judge of Department  
No. 3. The resolutions of indorsement  
were as follows:

"We, the members of Ben Hur court,  
No. 3, Tribe of Ben Hur, hereby com-  
mend A. G. Thompson as a person em-  
nently qualified from the standpoint of  
character, education and actual experi-  
ence, to fill the position of circuit  
judge, Department No. 3, the office  
which he now seeks, and heartily rec-  
ommend him to the voters of Multnomah  
county."

### Rally at Albina Tonight.

The Albina Republican club will hold  
its final rally tonight at 8 o'clock in  
the Albina library, Knot street. As  
this will be the last meeting before  
election day, the committee expects  
a large gathering. Several prominent  
speakers will be present and a choice  
selection of music will be rendered by  
an orchestra. There will also be a big  
automobile parade before the opening  
of the meeting. Women are especially  
invited.

### Candidates Are Invited.

Judge E. V. Littlefield, Sheriff T. M.  
Hurlbert and various candidates for  
the legislature have been invited to be  
present and speak at a meeting to be  
held at the Vernon Presbyterian  
church, Nineteenth and Aysant  
streets, tonight at 8 o'clock.

### Son of Wealth Now Satisfied With Life

Youth Likes Life in Iron Works, Weds,  
Joins Union and Prepares to Make  
Permanent Home.

San Francisco, May 17.—(U. P.)—  
Entering the Union Iron Works to  
learn the business from the ground  
up, John T. Snyder, son of the vice  
president of the Bethlehem Steel com-  
pany, surprised his friends today by  
announcing that he had married and  
that he intended to settle down in a  
small apartment here and make San  
Francisco his permanent home. He  
married a New York girl, joined the  
union, and says he is perfectly satis-  
fied with life.

### Seattle Lawyer Dies.

Seattle, Wash., May 17.—(P. N. S.)—  
John Kelleher, well known Seattle  
lawyer, is dead here today of acute  
appendicitis. Kelleher was stricken  
Saturday after several hours spent  
playing golf, and failed to recover  
from an operation. He was a graduate  
of the University of Michigan with the  
class of 1891.

### PREPAREDNESS PLEA MADE BY CUMMINS IN ADDRESS AT ASTORIA

Iowa Senator Praises Mouth  
of the Columbia River and  
Urges G. O. P. Cooperation

Astoria, Or., May 17.—In an hour's  
talk at the Astoria theatre last night,  
United States Senator A. W. Cummins  
roundly scored President Wilson and  
the Democratic party for the manner  
in which government affairs have been  
conducted during the past three and  
one-half years.

The speaker was introduced by  
Mayor Johnson and the crowd that  
gathered the speaker completely filled  
the theatre, although it was not an  
enthusiastic as might be desired.  
The speaker emphasized the point  
that the only way to restore pros-  
perity and happiness to the country  
was to put the Republican party in  
power again at the coming election.

### Appeals for Cooperation.

"My mission to your state," said  
he, "is to appeal to the Republicans  
of Oregon to forget their differences  
which have weakened us in the past,  
and stand together for restoration of  
the party to power. Woodrow Wil-  
son was elected president in 1912 be-  
cause six million persons voted for  
him and he now holds the office by  
less than one-fourth of the vote in  
the United States. It is the duty of  
the Republicans," said he, "to drive  
Wilson and the Democrats from  
power."

### Praises Columbia's Mouth.

The speaker criticized the adminis-  
tration for the tariff law now in ef-  
fect, contending that it does not pro-  
tect this country from unfair compe-  
tition abroad. He paid a glowing  
tribute to the mouth of the river,  
but stated that he would be unable  
to predict the growth it deserved  
under the present tariff law.

The war tax measure came in for  
its share of criticism, the speaker  
contending that the government would  
have been deficient to the amount  
of \$40,000,000 had not the tax in  
question been made.

"The fact is," said the speaker,  
"the government is \$100,000,000 short  
at the present time and the adminis-  
tration is hunting around to find some-  
thing else to tax."

### Alleges Extravagance.

The senator accused the adminis-  
tration of extravagance, stating that  
more offices have been created since  
Wilson was elected than had been cre-  
ated in 15 years prior to that time.  
The repeal of the act allowing Ameri-  
can vessels free use of the canal  
came in for an excellent rap, also the  
president's policy in Mexico. The  
crowd did not appear to be with the  
speaker on the Mexican question and  
the expected applause did not ma-  
terialize.  
The senator advocated preparedness,  
stating that he would like to see an  
army and navy that would prevent  
any hostile nation from setting foot  
on United States soil.

### Oakland Banker Drowned.

Oakland, Cal., May 17.—(P. N. S.)—  
Harry Crockett, aged 28, assistant man-  
ager of the Oakland Bank of Savings,  
in charge of the Berkeley branch of  
that institution, was drowned this  
morning in Carquines Straits when a  
yacht in which he and Albert J. Keller  
were sailing capsized.

### San Francisco Man Wounded at Verdun

Corporal Charles Hoffaker, American  
Volunteer, Has 10 Pieces of Shell Ex-  
tracted From One of His Legs.  
Paris, May 17.—(U. N. S.)—Corporal  
Charles Hoffaker of San Francisco, a

mining engineer, has been wounded in  
the fighting at Verdun. Ten pieces of  
shell have been extracted from one of  
his legs.

Hoffaker is one of the American  
volunteers who last fall were trans-  
ferred from the foreign legion to the  
regular French infantry regiment in-  
cluded in the famous "Iron Brigade."

### Postal Receipts Gain.

For the first half of May, postal  
receipts show a gain of \$4118 above  
receipts for the corresponding period  
of last year. Receipts last year for  
the first 15 days of May were \$46,  
523.91. This year they were \$50,641.91.

### Trunk Factory at Maplewood Starts

Maplewood, Or., May 17.—The Maple-  
wood trunk manufacturing plant was  
finished last week, and a large ship-  
ment of hardware has arrived from  
points in the east. A carload of three-  
ply veneer lumber is expected this  
week from McHenry, Wash. This new  
trunk firm, which is a local incorpo-  
ration, will specialize in four grades  
of trunks. Each grade will be made  
in three sizes, making a total of 12  
trunks in all sizes. The capacity of  
the factory will be 250 trunks per  
month. Salesmen will cover the north-  
west territory as far east as Butte.  
The factory building is located on the  
Oregon Electric railroad at Maplewood  
station.

### Senator Cummins Will Address Club

Members of the Progressive Busi-  
ness Men's club have been urged to  
come early to the luncheon in the Ore-  
gon hotel Thursday in order to secure  
seats. The speaker will be Senator A.  
W. Cummins, Republican candidate for  
the presidential nomination. F. H.  
Kneeland will serve as chairman of the  
day and present Dr. Henry Waldo Coe,  
who will introduce the senator from  
Iowa. The Progressive Business Men's  
club quartet will sing.

### Braces for Women.

Aebury Park, N. Y., May 17.—(U.  
P.)—"Discard corsets and wear sus-  
pender to keep up your skirts," Mrs.  
Beatrice Forbes Robertson Hale told  
New Jersey club women meeting here.  
The rise and fall of the waves on  
which a new boat rests drive its pro-  
peller.
