Today's Forecast. Portland and vicinity-Tonight fair, frost Wednesday fair; northerly winds.
Oregon and Washington—Tonight fair, frost;
Wednesday fair; northerly winds.
Idaho—Tonight fair, frost; Wednesday fair,

Weather Conditions. The pressure has decreased considerably on the Pacific slope and a moderate depression is now central over Novada; another similar depression is over central Canada. The pressure is high, on the north Atlantic coast, and a high pressure area is apparently moving slowly in-land over British Columbia. Precipitation has occurred in most of the northern and southeast ern states and Canada. Frosts were reported this morning from eastern Oregon and eastern Washington and southeastern Idaho. Weather is warmer in some interior sections on the Pacific slope, New Mexico, Texas, Oklahoma, Minnesots and Pennsylvania; it is cooler in most of Washington and California, Utah,

The conditions are favorable for generally fair weather in this district tonight and Wednesday. Frosts will form in early morning in most sections. Northerly winds will obtain. T. FRANCIS DRAKE. Assistant Forecaster.

South Dakota and the extreme northeast,
