ORIENTAL QUESTIONS MAY FORM PART OF PLATFORM OF G. O. P.

Democrats Will Be Denounced for Allowing American Prestige to Wane.

MANY FIGHTS EXPECTED

Suffrage, Military Training and Demo cratic Handling of Foreign Affairs Among Questions Considered.

Chicago, June 7 .- (U. P.) - Japan's demands on China, declared to en- EMBLEM jewelry a specialty, buttons danger the "open door," and American prestige in the orient may be given again in a plank in the Republican platform.

Senators Lodge and Borah, who will dominate the resolutions committee, will draft a declaration denouncing the Democratic party for allowing American prestige in China to wane without protest and for alleged encouragement to Japan in its suspected ambitions to dominate the east by a proposal to weaken American power over the Philippines. It was rearned today that a strong effort will be made to have such a plank included in the final declaration of principles.

The Democrats will be flaved for and floral designs. No branch stores. The Democrats will be flayed for

"incompetence" for filling a "depleted treasury by a war tax in time of peace," and for breaking Baltimore pledges as to one term for president, free sugar and Panama canal toils. "Watchful waiting" in Mexico will be

assailed unreservedly, and protection under a Republican administration will be promised to Americans in Mexico or any other part of the world.

The platform will further declare in

favor of making the American navy the second to none in the world, thus approving the recommendations of the naval board. American prosperity and the solvency of the treasury will be declared to have

been saved only because the European war arrested the effects of the Underwood tariff. Full protection to American industry and labor will be promised.

The trust declaration will be the

same as that of 1912. The Democratic proposal to build a government armor-plate plant will be denounced as unfair to American busi-

The La Follette seamen's bill and the proposal for a government ship line will be denounced, and the upbuilding of the merchant marine by a subsidy will be favored.

the platform is to formed theoretically only after a public hearing late this afternoon and evening, the cardinal points have been agreed upon in meetings among leaders and drafts have been prepared. Fireworks in the hearings late today are expected from Gompers and Secretary Morrison of the American Federation of Labor, and from James, A. Emery, counsel for the National Association of Manufacturers. An anti-injunction plank

will be demanded by labor. Senator Fall of New Mexico is demand intervention in Mexico, but Lodge and Borah, although fa-voring a plank for radical action to protect. American lives and property, doubt the wisdom of this declaration policy of President Wilson the butt of their main assault on his handling of foreign affairs.
