### Suffrage May Yet Be Winner in Iowa

Dubuque, Iowa, June 14.—(I. N. S.)-Woman suffrage may yet win out in lowa. 'A movement was started today by members of the men's suffrage organization to have the entire Dubuque county vote on suffrage thrown out because of large discrepancies discovered in the suffrage vote returns by the county supervisors yesterday afternoon when they canvassed the returns submitted by the election judges. Dubuque county gave the anti-suf frage workers a majority of 5000 votes.
