

CHINESE APPRECIATE PORTLAND COURTESIES DURING ROSE FIESTA

Letter Received by Manager McDowell Tells of Gratitude for Place in Program.

WILL CONTINUE TO HELP

Committee Pledges Continued Support of Festival and Participation in Future Years of Annual Carnival.

Portland Chinese contributed largely to the success of the Rose Festival with a baby show and extensive participation in the military, fraternal, civic and industrial parade, and they are deeply appreciative of the courtesies extended them by the Rose Festival board.

Expressing their thanks and promising future participation, the committee in charge has written Manager McDowell, on the committee were Seid Back Jr., Lee Hong and Louis Chung, chairman. Their letter follows:

"We are happy to know that you have in some ways contributed to the great success of the Rose Festival just closed, which was, indeed, a great success. And we hope we shall be able to cooperate with you in the years to come and we thank you for the opportunity, in which we demonstrated our loyalty and good wishes to our Caucasian residents of this great city of ours. May we say to the people of this state, as well as to those of the Pacific northwest. For the tenth Rose Festival was not only for the citizens of our fair city, but many have come from our neighboring states to behold and enjoy with us."

"In this connection we desire to send special thanks to Mr. McDowell for his courteous treatment and attention to us. For Mr. McDowell certainly kept his faith with us, and may we add that it was to his effort that brought out the Chinese attractions."

"We send thanks to the committee which cooperated with us in the baby show. That committee certainly deserves great credit. We thank those people who donated their cars for that day, as without them things might have not been so successful."

"We also want to thank those gentlemen who were on the committee, to whom all our trials and tribulations went. They were certainly kind and generous to us, and had we been successful in getting that long-sighted Dragon, they would have been too cheerful to help us with their financial assistance. It was, indeed, pleasant to work under such men, and the Rose Festival is due to be congratulated for having just such fine body of men in connection therewith."

Customs Inspector Outwits Chinese

Sherlock Holmes Instinct Uncovers Hiding Place of Opium in Little Innocent Looking Teapot.

It was a perfectly innocent looking Chinese teapot which Customs Inspector Stevenson picked up in the back room of a Chinese store, the Wu Sing company, at 59 North Fourth street, Thursday.

The reason he picked it up was because everything in the room was covered with dust, and the teapot was not. It rattled as he picked it up. It was an earthenware teapot, but underneath it was tin. The tin was the bottom of a box which slipped up into the teapot, and was taken out by releasing a spring.

In the tin box were 21 "cards" of opium, valued at 50 cents each. Inspectors Stevenson and Johnson went to the place to make measurements to be submitted as testimony in the case of Louis Seid, charged with having had opium in his possession, a charge on which he has been arrested several times.

He pleaded not guilty to the charge Monday and his trial was set for July 12.

Siam "Shinplasters" Cover Subscription

William Hornbrook, Minister to Asiatic Land, Sends 55 Exchange Orders for Semi-Weekly Journal.

Speaking of the intricacies of international exchange, The Journal has received an order for a year's subscription to the Semi-Weekly Journal from William H. Hornbrook, American minister to Siam, in the form of 55 exchange orders worth five cents each. The orders are about half the size of American paper currency and bear the notice in several languages that they are valued at 25 centimes each and may be exchanged for postage stamps in countries which have a postal agreement with Siam.

Mr. Hornbrook is an Oregon man, publishing an Albany daily prior to his appointment by President Wilson to the diplomatic service.

Aged Man Arraigned On Perjury Charge

Alleged Offense Said to Have Been Committed in Making Application for Land.

Perjury was the charge on which Theon Edwin Dana, an aged man, was arraigned in federal court before Judge Heron yesterday. On request of his attorney, B. F. Mulkey, Dana was given until Monday to prepare his plea. It is alleged that Dana's offense came in making application for land in Crook county in 1913, and making no mention of previous applications. Assistant Federal Attorney Goldstein is prosecuting.

Relatives of Victim Of Bear Are Found

Officials of S. F. & P. Locate Friends of William S. McLean in Winnipeg; Body Goes to Vancouver.

Officials of the San Francisco & Portland Steamship company have located relatives of William S. McLean, one of the five persons drowned in the steamship Bear disaster in Winnipeg, Canada. The body is to be sent to Vancouver, B. C., where there are other relatives, and the funeral will be held there.
