Safe Used Truck to Buy In buying a rebuilt Federal, you get as much value for your money as in any new truck you could buy. A re-built Federal means that it has been pair. How many pair do you want?
Tabor 5047, 172 E. 76th N.

Tolor SALE, 50 White Leghorn chickens, 2 months old, from fine laying strain. Tabor 4941.

WHITE LEGHORN eggs, 75c. Chicks
WHITE LEGHORN eggs, 75c. Chicks
Conditions even the strong and firefulations are the strong and firefulations.

This assembled unit has been tested to load capacity of FIVE TONS, and ically examined and, when necessary, the "CLSON" converting unit will support this loay, and more; but for continuous service under all load and road conditions even the strong and firefulation.

And remember this:

And remember this:

When you buy a rebuilt Federal, you are protected by the same policy ap-plied to all Federal owners. We operate a repair department manned only by Federal experts—open night and day—with the most complete stock of parts in the northwest.

Federal leadership is a byword in the trucking field. This "built-in" quality, backed by an organization capable-and willing-to give you real service, is consequently

A SAFE USED TRUCK TO BUY.

If you are in the market for a truck

from \$1000 to \$1400, we urge you to compare used Federals with new trucks at similar prices. We think we can at similar prices. We think we ca convince you of their superior value.
