ecture. But Oregon will be ready.

of mobilization in other states, Oregon stands a splendid chance of being the first state to report its readiness.

OF ACTIVITIES TODAY

Predicted.

by nightfall.

CLACKAMAS CENTER

Meets in Secret Session This on General Venustiano Carranza in an Border Customs Collectors.

NO MILITIA WILL LEAVE FOR THE BORDER TODAY

Incomplete Mobilization Will State Troops to Be Sent ances. South Yet, Says Washington; Many States Respond. Child Drowns When

to all Mexicans to enlist in the army and aid in the defense of the father land was posted here today by General Jacinto Trevino, Carranzista militari commander of the state of Chihuahua The posting of the notice caused in-

tense excitement. Juarez authorities are sending all customs house records to the interior. This indicates that the Carranza garrison will evacuate Juarez at the first sign of hostilities.

called to Mexico City collectors of customs at border points, ordering them was not recovered. to bring all the money of their offices

Mexico City, June 21.-(U. P.)-General Carranza and his cabinet met in special ression this afternon to consider the American note. Carranza and all members of the cabinet denied themselves to newspaper

men when the session began. They sent out word that they would have absolutely no comment to make waters of Kootenai have inundated 250 until after the session adjourned.

last several hours. ders sending new forces to the Mexi-

can border today. The first group of American militia-men detailed for border service will doubtless be en route before the week end. Officials believe the militia may see service on Mexican soil.

What state's militia will be first to go has not been revealed, though the consignment will undoubtedly be be yond 50,000, thus involving assignments from many states.

May Call Volunteers. troops movements dangerous near to

Unofficial reports told of Carranza the American expedition and of outbursts against Americans at more than one point.

The method of calling volunteers is not yet worked out. Such a step will be taken only when developments require it. It has been discussed, officials admit. Reports that 500,000 will be asked for if the call comes are apparently exaggerated.

While the navy department has not vet ordered a blockade of Mexican ports this step may be expected at any

To Watch Ammunition. In the meantime, every precaution

will be taken to guard against consignments of ammunition from Amer ican ports to Mexico.

President Wilson keeps in the closest touch with the situation. At a midhight conference with Secretary Baker the question of dispatching more Aroops was discussed.

A densorship, lighter than hereto fore, now exists in both the state and war departments. Great packages of messages reach both branches bourly. and additional operators have been placed on Cuty. Only a small part of this information is permitted to reach the public.

Consular Reports Expected

State icpartment advices thus fahave failed to show the effect in Mexico of the mobilization order, though it was expected today Consul Rodgers would report on that and also perhaps on how the American note was tiken. Governor Alvarado of the Mexican state of Yucatan announced Yucatan has not declared war on the United States, American Consul Guyant at Progreso cabled the state department

next move in reply to the American

The Latin-American association is sued a call for a mass meeting of protest against American occupation of desks together at the Forty-second Mexican territory. The call for the street building, consulted about his meeting mentioned the "intervention campaign force and rushed away to ist tendencies of the United States Connecticut in the afternoon southward," vaguely hinting that interventionists in the United States threatened the safety of other Latin-American republics.

The Argentine papers are divided in their sympathies, La Nacion, the most influential newspaper in Argentine, attributes Mexico's present plight to outlawry which Carranza is evidently impoten to prevent. While practically admitting the existence of a strong nucleus of sympathy in South America for Mexico, La Nacion adds: "But the attitude of the United

States deserves a tranquil view as

long as it maintains a guarantee of Mexican territorial integrity."
The newspaper Razon publishes review of the situation under the headine, "Mexico's Calvary." The Union suggests that possibly other nations may be interested, mentioning no front will have to pay more for their names, but evidently meaning Japan. The newspaper Argentina says that Mexico is simply suffering the consequences of anarchy.
