Yes, she had just come to Portland for a visit and—oh, of course, she loved visit and—oh, of course, she loved Oregon and Portland, but she had never dreamed that there was a place like the Oaks. "Why, they kmag about our parks back home, but really, I never saw one more attractive than this," she said.

Our new musical comedy company, Knight's Troubadours, had delighted her just as they do all our visitors. Their "Night at a Cabaret" is a great success and will continue today and Saturday. Sun-
